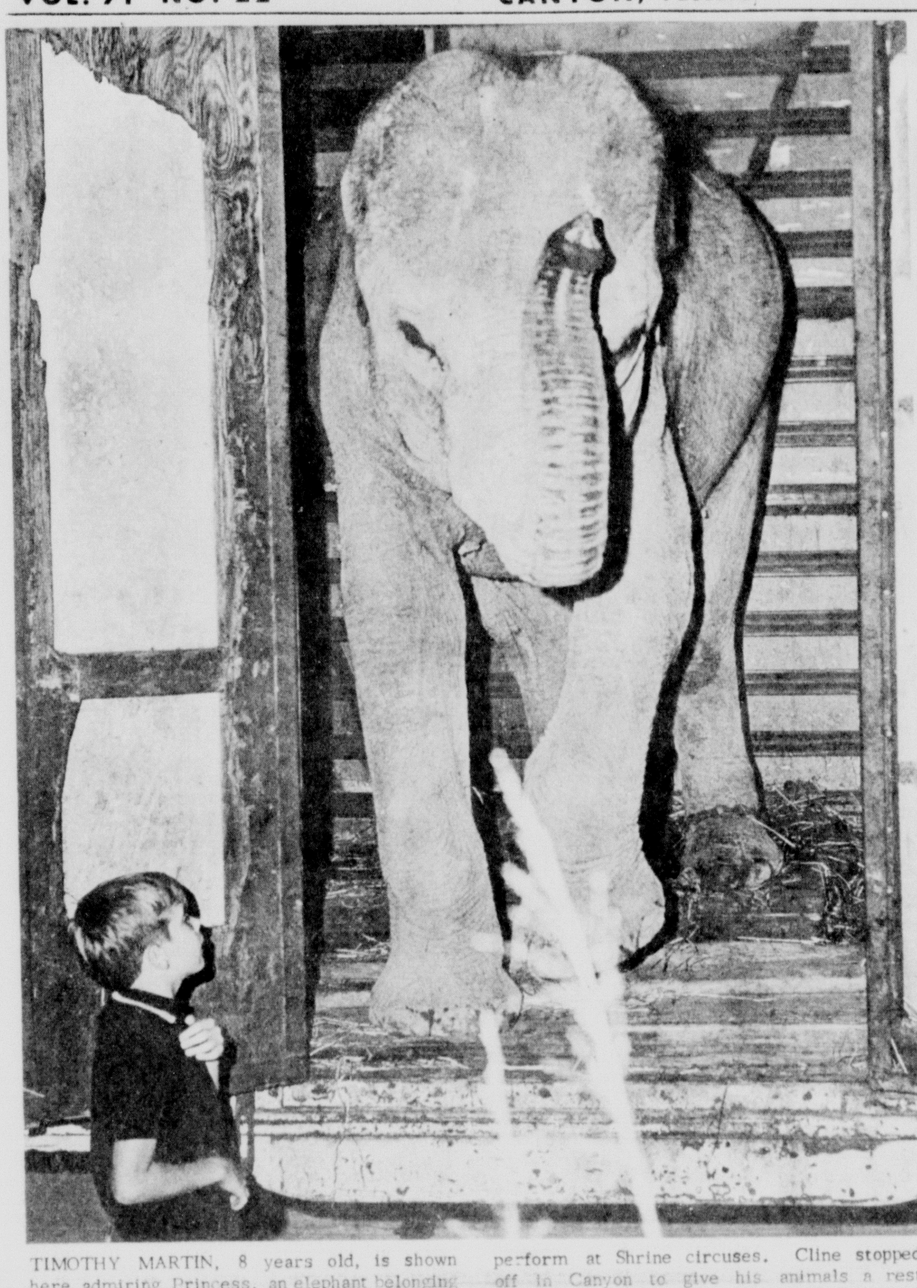
VOL. 71 NO. 22 | CANYON, TEXAS | THURSDAY, AUGUST 31, 1967 | 2 SECTIONS | 14 PAGES | TEN CENTS



TIMOTHY MARTIN, 8 years old, is shown here admiring Princess, an elephant belonging to John Cline of Norco, Calif., as she is about to step out of a truck. Princess, two other elephants and eight matched Shetland ponies perform at Shrine circuses. Cline stopped off in Canyon to give his animals a rest before opening at Midland. The elephants and horses are quartered at L. S. "Slim" Johnston's corrals just north of Buffalo Bowl.

Lawyer Says School Has

Unused Resource

Would Levy Taxes On Bank Accounts

There is $15,000,000 worth of property in Canyon Independent School District not even on the tax rolls.

This statement came Tuesday night from John Scott, Jr., Amarillo attorney, as he spoke to some 50 members of Randall County Taxpayers League in the district court room of Randall County court house.

He indicated that this unrendered property consists of real estate, personal property, securities and bank accounts.

There would be no need for a tax raise if this were on the tax rolls, Scott said.

"We might even have a reduction," declared Fletcher Sims, Jr., a member of the league who brought suit against the school board and the school district board of equalization Aug. 18.

Sims acted in behalf of the league. At that time District Judge Gene Jordan granted a temporary restraining order which halted a meeting of the board of equalization.

Sims complained that tax notices sent out by Tax Assessor-collector Conway Kuykendall bore only the taxpayer's rendition for this year and last year's valuation.

He contended that valuation should have been set this year by the tax assessor-collector ant that the taxpayer should have been notified of such assessment.

Judge Jordan ordered that an assessment be made by Kuykendall in cases where taxes were to be raised above rendition by the taxpayer and that the taxpayer be notified.

At a hearing in Amarillo last Thursday, Judge Jordan issued a judgement ordering the board of equalization to give render-

Tourist Film Is Scheduled

Representatives of Visual Presentations, Inc. will be in the Canyon area for two weeks in September to film scenes for a tourism promotion motion picture.

Roland Black, Canyon Chamber of Commerce manager, was was notified last week by Hillman Taylor, Visual's writer-director, that a filming crew would be here to shoot scenes in the Pioneer Amphitheatre, Panhandle Plains Historical Museum and rugged territory, for the film sponsored by the Travel and Information Division of the Texas Highway Department.

Purpose of the picture, Taylor said, is to promote tourism into the state. He predicted that the motion picture will be seen by some sixty million potential Texas visitors.

"We have been very fortunate in the past," Taylor said in a letter to Black, "in securing cooperation from the various Chambers of Commerce in furnishing us with a guide to the area, typical families to act as out-of-state tourists, and introductions to the responsible people in charge of the scheduled attractions included in our scripts."

CHS Boosters Meet Tuesday

Booster Club for the Canyon High School Eagles will hold their first session of the new year Tuesday at 8 p.m. in the Canyon High School cafeteria.

Plans for the coming season will be outlined during the business session.

All members and prospective members are invited to attend the meeting.

Check Law Is Effective

After today, Canyon's two banks, the First National and West Texas State, will no longer be able to cash checks which do not bear magnetic ink symbols of the writer's bank.

The magnetic ink symbols, located in the lower left hand corner of the checks, are used to route the checks through high-speed computers.

With magnetic ink symbols, the high-speed computers sort

(See CHECK Page 7)

Prospects Good Says Greenwood

Canyon Eagle football prospects look pretty good this year if it weren't for injuries, according to Jim Greenwood, Eagle head coach.

Stan James, starting quarterback, is out for the season with a head injury. He was advised to drop football.

"We sure hated to lose him," declared Greenwood.

Seven lettermen are returning from last year's squad, Greenwood reported.

Phil Swatzell has been shifted to quarterback. "We'll change our offense to utilize him," the coach said. Phil weighs 165 pounds and ran the 100-yard dash in 10.3 seconds last year in track.

Dwayne Gerber, a senior, has played guard but is moving to fullback. He weighs about 200 pounds. "He's about the quickest boy we have," commented Greenwood.

"He's not full speed yet," the coach explained. "He had a shoulder injury during the summer and it's still giving him some trouble."

Jim McBroom, a junior, will play guard. He weighs 170 pounds.

Tommy Tucker, 195 pounds, also a junior, plays tackle. "He's a comer," said Greenwood. "We want to trim him down a little bit. He plays both offense and defense."

Ronnie Russell weighs in at 190 pounds and plays tackle. "He's a leader," said Greenwood, "and he has real good prospects."

Avery Thrasher, 155-pound senior, will play end. "He's

(See PROSPECTS Page 7)

Attendance Reported Up At "TEXAS"

When the curtain rings down for the final time on "TEXAS" Monday evening, more than 64,000 patrons will have seen the production.

The 64,000-plus figure, said Raymond Raillard, executive vice president of the show sponsoring Panhandle Heritage Foundation, represents a gain of about 3,000 over attendance at the "TEXAS" initial outing last season.

More than 100,000 have seen the production thus far for the two summer stints and the 100th performance was held recently.

One change this year over last, Raillard noted, was that more states were represented in 1967. There is an average of 25 states represented nightly and from three to five foreign countries.

Raillard credited the increase in out-of-state visitors to "TEXAS" representation at travel shows, magazine and newspaper coverage from throughout the country and the 125,000 brochures mailed to travel agencies and motor hotels in the US and abroad.

A final tally of attendance will be abailable soon after the production closes, Raillard concluded.

Happy Festival Entertains 750

Approximately 750 persons were served barbecue Saturday at the birthday celebration honoring Happy's 60th year.

Old-timers registered totalled 116. W. C. White of Happy was recognized as the oldest at 88; Mrs. G. E. Wesley as the longest community resident (since 1892); and Cliff Belles of Iowa for travelling the fartherest.

A variety of events were staged in honor of the occasion. Parade trophies were presented to the TOPs Club for first place; the Happy Jaycee-Ette sponsored float for "Miss Happy" and "Little Miss Happy," second; and the Methodist Youth Fellowship float, third.

Named as the best riding club in the parade was Rolling Hills of Amarillo. Awards for the best decorated bicycles went to Lisa Payne, first, Bonny Briscoe, second, and Shawn Walters, third.

In the boys' 12-up division of the bicycle races, Wicky Culp placed first and Richard Vermeire took second. In the girls'

(See HAPPY Page 7)

Enrollment Figures Up

As of Tuesday noon 2,519 students had registered to attend Canyon schools, according to Superintendent Jerry Jacobs.

This is an increase of 68 students over last year when 2,451 registered by the end of the first day of school. Initial enrollment in 1965 was 2,358.

Canyon High School with an enrollment this school term of 553 showed the most growth with an increase of 61 over last year.

Rex Reeves Elementary School had an increase of 14 students this year. The enrollment this school term so far is 1,016 as compared to 1,002 last year.

Gene Howe Elementary School had registered 289 students at noon Tuesday. Enrollment for the comparative date last year was 288.

The only school in the system to show a net loss was Canyon Junior High School. The enrollment there this year is 661 as compared to 669 last year.

Total enrollments will be available shortly after the Labor Day Holiday for which the schools will be closed.

73 Enrolled At Umbarger

Classrooms at Umbarger School were opened Monday with an enrollment of 73 students, according to Sister Mary Bertille.

The school will be dismissed for Labor Day, Monday, September 4, and classes will be dismissed on Tri-State Fair Day, Sept. 18.

JOE KERBEL

Coach Kerbel Condition Is Satisfactory

West Texas State University head football coach Joe Kerbel is convalescing at home in Canyon following a mild coronary suffered July 30.

His condition is described as satisfactory. He will not be present when football practice begins today.

Kerbel will still direct fall practices and the football program without personally being present, according to a Canyon physician.

Assistant coaches Jack "Sleepy" Harris and C. E. "Dirk" Dierking will meet daily with Kerbel so he can direct fall workouts without being on the practice field.

"My physicians have advised me that I will be able to rejoin the team some time in the very near future," Kerbel said.

Strange Boarders At Johnston Pens

Randall County Sheriff L. S. "Slim" Johnston has some extra ordinary boarders this week at his corrals just north of Buffalo Bowl on the Expressway.

Three elephants and six matched Shetland ponies are spending the week there.

The owner is John Cline of Norco, Calif. The next stop for the troupe is Midland where it will play the Shriner Circus September 8.

Cline stopped at the Trail Motor Hotel Sunday night and mentioned that he would like to stay in Canyon about a week in order to give his elephants and horses a rest.

Mrs. Donald Crisp who runs the Trial began looking for a place for the animals to stay. Cline said he would give a show for Canyon children if a place for him to do so can be located before time for him to leave for Midland.

The animals were seen at the Amarillo Shrine Circus about two weeks ago.

Cline is staying with the elephants and horses at the corrals. He says his elephants are gentle. "But elephants are big," he added.

Elephants have a life span about the same as man, Cline related Sunday night at the motel.

Two of the elephants are half grown and the baby is only 3 years old.

Princess, 12, is the oldest. She weighs 5,000 pounds. Dell is 11 and weighs about 4,500 pounds. Little Molly is a frail 1,700-pounder. All three elephants are natives of India.

Molly dances a jig at the sightest provocation and has won herself many a peanut with her routine.

The eight Shetlands are chocolate dapple and are matched.

Cline said his show is book-

(See BOARDERS Page 7)

Ranger Probing Swindle

An 84-year-old woman from Happy is alleged to have been swindled out of more than $700 by men posing as termite and lightning rod inspectors.

Texas Ranger E. G. (Butch) Albers said the chain of bogus examinations began this March when the woman gave a man $19.60 for a termite inspection.

He returned the latter part of June and charged her an additional $198 for the termite control, and charged her $98 later for more control and inspection.

The man, who used a different name for each "inspection"

Enforcement School At University

The peace officer has three primary duties, George Dowlen Randall County Criminal District Attorney, told a gathering at West Texas State University for the first in a series of law enforcement classes here Monday.

The officer's duties include preserving the peace, issuing

(See ENFORCEMENT Page 7)

Rest Stop Goal To Save Lives

"The major goal of holiday rest stops both here and across the nation is to cut down on traffic accidents during the holidays," said Delbert Turk, president of the Canyon Junior Chamber of Commerce.

The Canyon Jaycees will maintain a "rest stop" for holiday motorists throughout the Labor Day week end. The rest stop will be located north of Canyon on the Amarillo-Canyon expressway, near the college farm.

Jaycees and Jaycee-Ettes will operate the rest stop "around-the-clock" in an effort to cut down on the number of holiday accidents. The civic clubs will operate the booth from 6 p.m. Saturday until Labor Day night, Monday. They will serve tea, coffee and assorted cookies free of charge.

In observance of Labor Day, a majority of Canyon businesses will be closed on Monday. The holiday observance has been requested by the Canyon Chamber of Commerce retail merchants committee.

Both City Hall and the Randall County Courthouse offices will be closed on Monday, as will the US Post Office here. Canyon's banks, the First National and West Texas State, will be closed in observance of the holiday.

Students of the Canyon Independent School District will observe the first holiday of the 1967 school term on Monday. Schools will also close in mid-September for the annual Tri-State Fair Day.

The long week end will conclude Tuesday morning with the re-opening of businesses and governmental agencies.

Elections Set By SCS

Community Committee elections for seven Soil Conservation Service districts in Randall County will be conducted Sept. 8-20, according to Donald Lloyd, SCS office manager here.

The slates of nominees for the committees will be completed Friday, he said, and ballots will be mailed Sept. 8.

(See ELECTIONS Page 7)

Road Repair Bids Tabled

Randall County commissioners court Monday tabled action on bids on 1,65 miles of road repair.

The road to be repaired is McCormick Road between the Santa Fe Railroad tracks and South Washington. Two firms including J. Lee Milligan of Amarillo and J. L. Riley, Inc., of Canyon submitted bids.

Action on the bids is expected at a meeting of commissioners

(See ROAD Page 7)

New Manager Hired By City

Paul I. Davis, assistant city manager at Midwest City, Okla., has been hired as city manager of Canyon.

Davis will replace Gary Gwyn who resigned recently to accept a similar post at Edinburg.

Davis is a native of Corpus Christi, where he attended W. B. Ray High School. He received a BA degree in government from Texas A&I University and completed post graduate work in public administration at North Texas State University in Denton. He presently is working on his thesis.

He began his career in municipal government in Alice in 1964 as an administrative aide.

He then became administrative intern and later assistant to the city manager in Midwest City in May of last year.

Mrs. Davis, Mary Ann, is a native of Alice. She received her BBA degree in business from Texas A&I.

The Davises are members of the Lutheran Church. They will move here by Sept. 9 and will make their home at 1110 Hillcrest Drive.

"I am looking forward to working for the city council," said Davis. "I think Canyon is a city with a great future."

PAUL I. DAVIS

COVERING FUMBLES

by Dean Mitch Jones

In our youth the young man who "pulled leather" was the butt of ridicule. Today we heard a president of a major company talk on the America of ten years hence;--and we grabbed the saddle horn with both hands and held on for dear life!

Bicycles

BIKES AND MORE BIKES mark the return to school for Canyon students as they began classes Monday. Parked on the school lawn at Rex Reeves Elementary School Tuesday morning were a large number of bicycles, all makes and colors.

FROM THE CANYON RIM

By Troy Martin

I remember when I was a cub reporter on The Globe-News, Negro crime was treated lightly unless the crime was committed against a white person.

If a Negro murdered another Negro or raped another Negro, the story got three paragraphs on an inside page. We seldom staffed the trials which ensued.

The Amarillo Times treated such crimes in the same manner. Such a story was of little consequence.

I saw a 23-year-old man at Stinnett given a five-year suspended sentence for raping a 13-year-old Negro girl.

In Amarillo, responsible people from the Negro community begged for better law enforcement. I remember that in 1950 a group of Amarillo Negro leaders visited with the Potter County attorney and the district attorney asking for sterner enforcement of the law in the Negro community.

They contended that law-abiding Negro people were being subjected to terror by the criminal element. These Negro criminals, they said, were given only token punishment if they were even arrested.

What those Negro leaders wanted and what they did not get, was some heavy penalties handed out to Negro criminals who violated the dignity and peace of the Negro community.

Five to 10 years was a stiff sentence for a Negro to draw for a crime against another Negro, no matter how henious.

Local law enforcement officers and prosecutors across the country can strike at the tap root of violence in Negro communities by enforcement of the law there with the same diligence it is enforced elsewhere.

Judges and juries can do their bit by handing out punishment comminsurate with the crime and designed to keep the peace everywhere. If this is not done, the jungle will grow and none of us will escape the sin of our negligence.

I contend that the vast majority of Negroes are law-abiding and want good law enforcement in their communities.

The law-abiding Negro has the most to lose by lawlessness in his community. His home is torn down or burned and his business looted when riots break out. If he is a wage earner, he loses time from his job when violence visits his community. In every instance of rioting and pillage by Negroes, it has been the Negro himself who has lost most from it. Riot has been incited and carried out by the lawless.

In many cases the law-abiding Negro citizen has acquiesed simply because he did not feel he could look to legally constituted government for protection.

Sadly, his worst fears have been confirmed. Troopers and police have been ordered into riot areas instructed not to use their weapons. They have been forced to watch helplessly while looters have sacked business houses.

In many cases places of business belonged to another Negro who had spent a life time of effort in their building.

Even our President and vice-president have uttered speeches which were inflamatory rather than calming.

If we responded to riots with martial law, shooting of looters and long prison terms for those who incite to insurrection, I think we'd be surprised at how much help we'd get from Negro citizens themselves.

The American Negro's lot is cast with a free America. The Negro is better off here than in any country on the face of the earth or than at any other time in history.

I think the vast majority of Negro America knows this to be a fact. He has shown himself willing to defend his American heritage in Vietnam. I think he would be willing to defend it on the streets of Detroit if legally constituted government shows itself willing and able to uphold the law.

* * *

As a newspaperman I've learned not to be surprised at anything.

About 10 o'clock Sunday night I got a phone call from Mrs. Donald Crisp at the Trail Motor Hotel.

"There's a man down here with three elephants and eight horses," she said.

"I'll be right there with my camera," I replied.

* * *

Amarillo Editor Tommy Thompson used his Turnstile column recently to chide Randall County commissioners for dragging their feet in acquiring certain road right of way.

Not so, rejoins Commissioner B. R. Jones. "We've bought all the state has asked for," he declared. "We don't have a single request pending.

Letter To The Editor

Dear Editor,

I don't think this will be disputed. Canyon needs a library building and an up-dating in library services. This statement is prompted by an editorial in The Canyon News, August 17, 1967.

It seems that Mr. Charles Allen observed, because of the personal inconvenience to Canyon's travelling citizens, that other towns smaller than Canyon have an airport. Yes, Canyon needs an airport, but how many citizens in a period of twelve months would use the airport compared to the number that would use the library, particularly children, if Canyon had a modern library where services would be available to them at hours convenient to them?

Mr. Allen admitted he did not know the location of Canyon's library. For Mr. Allen's information and other newcomers the library is located at 507-16th Street. There is no number on the building. You will recognize it as being one of the old soldiers' barracks during World War II. It was brought in from the surplus property pile of the Federal Government and set up for Canyon's library.

When you locate it, go in. Your visit will have to be when the library is open between the hours of 2:00 p.m. and 5:30 p.m.

A narrow passageway extends from the entrance to the rear of the building. To the right of the entrance is a small room 13' x 10' which is used as the librarian's office, work room, book deposit and store room, all in one. Book shelves line the outside walls of this room. Here may be found the new books, memorial shelves and some of the reference books.

Adjoining the librarian's office is the children's reading area which is equipped with a table and chairs for children.

The rest of the space to the left of the central passageway is used for the children's shelves, reference books, placed to the best advantage wherever there is available space, current magazines and daily news racks, and magazine storage section. The "Board Room" space is sandwiched between the shelves near the center of the room. It is equipped with a table 6' x 3' and two benches approximately the same length as the table. If all Board members are present, they spill over into the aisles.

The shelves at the rear extend to the ceiling and hold the old magazines. The library has a subscription list of twenty-five magazines. The librarian is proud of her collection of magazines with complete files of some dating to the 30's. Against the wall to the right of the entrance is the TEXAS shelf-In fact, each wall in the building is lined with shelves full of books. The librarian has a good collection of Texas books.

Close up to the Texas shelf are the desks for the librarian and the checker.

The card files are conveniently located near these desks and adjoining these is the space for adult readers. The equipment for the readers is the same as for the Board Members.

The stacks for adults extend from this area to two small rooms in the back. The rooms were originally intended, I believe, for rest rooms. They are now filled with books.

The library is a public library, with some 12,800 volumes, yet there are no lounges or rest rooms in the building available to the public.

This briefly is what the newcomer will see when he visits the City-County Library of Canyon, Randall County. However crowded and unattractive the library may seem, the newcomer will find the quality of books and references good and up-to-date. For instance, the Encyclopaedia Britannica is complete through 1966. There are books on the shelves published in 1967.

Some men's group should take over and see that the City-County Library gets its fair share of the tax payer's money. The Federated Club women have carried the load long enough.

The US Bureau of Census reports that Randall was the fastest growing county in the United States from 1960 to 1965 with a rate of growth of 49%. It's shortsighted not to build a respectable library building in keeping with other areas of development. Readers at the library are increasing along with the county's growth.

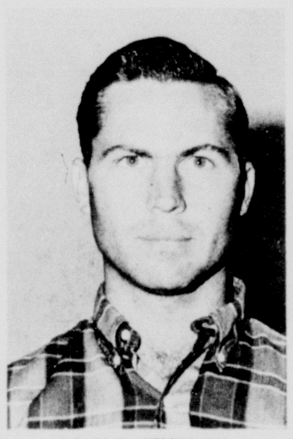
Yes, Canyon needs a new library and up-dated services. It should have held priority, in 1967, over all other building projects by the city or county or both.

Mrs. T. B. McCarter

Scoutmaster Named For Troop 108

Lloyd Winkley has been named scoutmaster for Boy Scout Troop 108 in Canyon.

Winkley is biologist with the Texas Parks and Wildlife Department in Canyon. He is



LLOYD WINKLEY

a graduate of Midland High School and earned the bachelor's degree in education from North Texas State University in Denton.

Winkley and his wife, Glenda, have an eighteen-month-old son, Russell.

Winkley will work with about 25 local scouts in the new position. The late Dick Ziegler was formerly scoutmaster for Troop 108.

Welcome Banners For WT Students

Banners welcoming students back to Canyon for the fall semester at West Texas State University will be placed on places of business Sept. 9 through 16, according to a decision made Monday night at a meeting of the Chamber of Commerce board of directors.

Freshman orientation at the university will begin Sept. 11.

The board also made plans for the annual Chamber banquet to be held early next year.

MR. AND MRS. E. E. PLANK are visiting members of their family in Houston including Esther Plank, an instructor at the University of Houston, David Plank and family, and Rhett Plank and family.

Davis is head of the Plank Speed-Shore Company and Rhett is a student at the University of Houston.

The Planks also attended the wedding of their grandson, Bob Dreiss, who was married August 18 to the former Meredith Mitchell of Houston in nuptial rites solemnized at St. Francis Episcopal Church there.

Globe Theatre Founder Here

BY WAYNE BOARD

The founder of the Globe Theatre of the Great Southwest in Odessa was in Canyon this week comparing notes with members of the "TEXAS"-sponsoring Panhandle Heritage Foundation.

Mrs. Marjorie Morris, who has researched the almost exact replica of the original Shakespearean theatre throughout the world, talked Monday with Mrs. Margaret Harper, former president of the foundation here.

Mrs. Morris, who was accompanied to Canyon by Mrs. Lois Ball, chairman of the board of control for the Globe, and her son, said the theatre in Odessa would formally open in April, 1968 with Shakespeare's "As You Like It" and had scheduled an appearance for the company at Hemisfair '68 June 8-15.

The Globe's stage, which has been used for from everything to fine arts programs to style shows, is portable and will be moved to the Canada affair for the 7-day stint of the production.

The Globe, she explained, is near the Odessa College campus and is thereby able to utilize actors as well as technical crews from the immediate area.

The indoor theatre, she said, is of cedar thatch with stars and the moon painted on the ceiling to give an outdoor effect to the plays.

Among those notables already to appear in Globe productions include Judith Anderson, Dan Blocker and Loren Green. Also already conducted have been a series of Browning lectures.

Mrs. Morris said the Tudor-architectured theatre was constructed with stones from five states--thus the name Globe Theatre of the Great Southwest.

The project, she said, received a Houston and Piper Foundation grant, with the remainder of the funds coming from private donations.

"We will spend about $300,000 before the theatre is completely finished," she added. We want to later add hand carved doors depicting Shakespearean themes and stained-glass windows. That will all come later, however."

Mrs. Morris, who, along with Mrs. Ball is an English teacher at Odessa College, said the Globe was heated and air conditioned to make it practical for use year round.

British red carpets and chair covers will also be added to give an effect of the original Globe.

To obtain sufficient information for the theatre construction, Mrs. Morris studied at Folger's Shakespeare Library in Washington, D. C. and in the Burmingham Library in London. The librarys are the largest and second largest collectors of Shakespeare's works in the world.

She also attended an extra-mural school at Stratford with Shakespeare enthusiasts from 27 countries.

The visiting trio were thrilled with the "TEXAS" production which they saw Sunday evening.

"It is a most unforgetable experience--I just loved it. It was definitely professional," Mrs. Morris said.

Mrs. Morris, who is also founder of the Odessa museum on which she worked for 15 years, said she might talk with "TEXAS" playwright Paul Green and Isaac Van Grove, musical composer, concerning the possibility of producing a play about the Southwest at the Globe.

DISCUSSING "TEXAS" and the Panhandle Heritage Foundation with Mrs. Margaret Harper, left, are Mrs. Marjorie Morris and Bud Ball from Odessa. Mrs. Morris developed a replica of Shakespear's Globe Theatre and young Ball portrayed Falstaff in one of this season's productions.

Visiting with the Lee Donnell family at Happy during the week end were Mr. and Mrs. F. D. Schmidt, Terry and Sherry, of Idalou. The group attended the outdoor drama "TEXAS" in Pioneer Amphitheatre.

Family Reunion Is Held

Mr. and Mrs. Tom C. Gooch, Sr. and Mr. and Mrs. Wire Wright, Chuck, Jack and Susie, were among those attending the annual Gooch family reunion at Lake Altus, Oklahoma during the week end.

Others present were Mrs. J. J. Wright of Bentonville, Arkansas; Mr. and Mrs. Johnny Gooch of Artesia, New Mexico; Mr. and Mrs. Fay Gooch of Floydada; Mr. and Mrs. Edgar Gooch, Mrs. A. B. Rooh, Ray Gooch and Mrs. Bobby Gowan, all of Harrold, Texas.

Also attending were Mr. and Mrs. Tom Slack, Shay and Phil of Perryton; Mr. and Mrs Norman Brints, Chad and Clint and Mr. and Mrs. W. E. Stringer, both of Vernon; and Mr. and Mrs. Don Stringer, Melissa and Mack of Arlington.

1967-1968 EDITION of the Canyon High School Eagle football squad will open their season Sept. 8 at Phillips. Team members include, front row, left to right, Chris Hull, Ted Walker, Tony Gibson, Max Bosley, Lon Conner, Eddie Haddock, David Irwin, Chuck Hester and Tommy Brandt. Second row, left to right, Andy Hanson, Bob Woods, Pat Hickman, Ronnie Pope, Fred Jenkins, Pokey Haimes, Tom Tucker, Jimmy McBroom and Avery Thrasher. Back row, left to right, James Kievit, manager; Mike Dudenhoeffer, assistant trainer; Phil Swatzell, Calvin Yarbrough, Larry Robinson, Ronnie Russell, Gary Hester, David Thompson, Craig Parker, Smiley Burnett and Mike McChenny, trainer.

Goodmans Take Trip

Mr. and Mrs. A. K. Goodman left Wednesday on an extended trip of about 2 1/2 months during which they will visit in Colorado, Nebraska, Wisconsin, and points in Canada including Expo '67.

The Goodmans will travel in Canada to New Brunswick and will spend some time in Nova Scotia. They plan to visit the Evangeline Country of Acadia and many other points of interest before traveling to Maine to spend a month in the New England states.

They will spend time in Boston, Philadelphia and Washington, D. C. and will return to Canyon by way of the Cumberland Mountains.

Mrs. Goodman retired last spring after teaching 24 years with the Canyon schools.

Weather Records

Below are the readings from the Canyon Weather Station on the campus of West Texas State University. These are for the days of Aug. 23, to Aug. 29.

Day	High	Low	Percip
23	84	61	0.07
24	86	54	0.00
25	89	62	0.00
26	76	61	0.00
27	83	60	0.00
28	89	60	0.00
29	90	61	0.00

The total rainfall for this month so far is 0.71 inches. Normal for the whole month is 2.63 inches. It appears this will be the driest August that we have had since our records began in 1951.

Posse Deputies Ride To Ranch

About 30 mounted junior deputies in the Randall County Sheriff's Posse participated in a trail ride Sunday to the R. B. Allen ranch.

The youngsters, who were accompanied by several posse members and Jimmy Morrison of Amarillo, deputy director, and Ronnie Hufnagle, president, rode from the group's arena east of Canyon to the Allen ranch, two miles south of the city.

The group had dinner at the Allen ranch.

Local Scouts Go Camping

Middlefork Lake near Red River, New Mexico was the campsite for a recent fishing trip for several scouts of Canyon.

Participating on the campout were Billy Walker and Wayne Harp of Troop 97; Bobby Brotherton, Sandy and Gary Hair, Lynn Salmon, Steve Cataldi, Gary McBride, Richard Fulton, Nobie Cates and David Gidden of Troop 66.

Adult supervision was given by John McBride and Carl Eugene Hair.

Dairy Herd Production Is Reported

Milk and butterfat production levels established by Registered Holstein cows in this area have been reported by Holstein-Friesian Association of America. The individual lactations were tested under official supervision. Vicinity cows listed in the Holstein report are:

Palo Duro Golden Pica 5253385, a five-year-old, produced 22,990 lbs. of milk and 934 lbs. of butterfat in 345 days. Palo Duro Raven Artis 5110520, a five-year-old, had 23,450 lbs. of milk and 829 lbs. of butterfat in 305 days. Palo Duro Burke Empress 5214854, a five-year-old, had 22,490 lbs. of milk and 818 lbs. of butterfat in 329 days. Caljune Seven Bobby Last 4936465, a six-year-old, had 19,520 lbs. of milk and 768 lbs. of butterfat in 305 days. Janlee Pilot Inka 5610825, a four-year-old, had 17,720 lbs. of milk and 614 lbs. of butterfat in 298 days. All are owned by Louis G. Hinders, Canyon.

These new production figures may be compared to the estimated annual output of 8,513 lbs. of milk and 315 lbs of butterfat by the average U. S. dairy cow, notes on the national Holstein Association.

Texas A. & M. University supervised the sampling, weighing and testing operations in cooperation with the Holstein organization's herd and breed improvement programs.

Leo Duflots Visit Canyon

BY DR. J. A. HILL

Dr. Leo Duflot, Professor of Aenesthesiology on the faculty of University of Texas Medical College in Galveston, and his wife and five children camped last week at the bottom of Palo Duro Canyon.

He said he wanted his family to see the haunts he roamed more than thirty years ago. Old-timers will recall that Leo was a familiar little figure in these parts when he was a lad.

They will also remember that his father, Professor J. L. Duflot, was an able and conspicuous member of the West Texas State faculty and his mother was popular in social circles. In fact, the whole family, including two vivacious and attractive Duflot girls, was a prominent factor in campus and community life.

Manifestly, Dr. Leo and family were having a good time. He could hardly believe what his eyes beheld - the development of Canyons, the marvelous expansion of West Texas State, and the incomparable Museum.

They were greatly disappointed that they could not get tickets to "TEXAS". This writer was amazed at the resemblance of the 7 year old baby of the family, Joe Jr. to his paternal grandfather the inimitable and beloved "Jumpin' Joe" Duflot. P.S. They were disappointed that they did not have time to visit with more of their friends.

News Brief

SHARON HINDERS, 13 years old, daughter of Mr. and Mrs. Louis Hinders, suffered a broken collar bone Friday in a fall from a horse at the Hinders home.

She was riding the pony bareback when the accident occured.

Scholarship Alternate To Olsen

A 1967-68 Canyon High School senior, Robert C. Olsen, has been named one of the top students and a scholarship alternate of a summer program at Texas A&M University.

Olsen was selected on the basis of his work in a six-weeks program in mathematics and computer programming for high-ability high school students according to Dr. William S. McCulley, director.

Three scholarship recipients of $100 each for four years and four alternates among 32 in the program were named in the concluding session Friday.

"The capacities of these young people lead us to expect top performance from them in the field of mathematics and science," McCulley said. Participants in the six-week program were selected on a nationwide application basis and represent the top 10 per cent of their class.

The math professor said the program enabled students to work with math not normally encountered by college sutdents until the junior year. Problems in calculus, computer programming and language were assigned and participants wrote programs for A&M's 7094 computer.

Robert is the son of Mr. and Mrs. Kenneth H. Olsen, 506 Taylor Lane. His father is a West Texas State University professor.

News Brief

VIRGINIA LEE CROUNSE of Canyon was one of more than 800 students to receive a degree at Texas Technological College's summer commencement Saturday.

She received a master of arts degree.

Railroad Track Worker Injured

A 59-year-old Santa Fe Railroad laborer is in critical condition at Northwest Texas Hospital in Amarillo following a train accident near here Monday morning.

C. B. Strachan of Miami, Tex. was injured shortly before 10 a.m. Monday when he was struck by a local westbound train, number 73 about three miles north of Canyon.

A Santa Fe spokesman in Amarillo said Strachan and a track gang crew had pulled aside to let the train pass.

Strachan apparently stooped to retrieve a small piece of equipment when he was struck by the train's engine.

The spokesman said Strachan's only visable injury was a cut in the left mastoid region.

Nazi Chief Here In '64

Slain American Nazi Chief George Lincoln Rockwell visited Canyon in 1964.

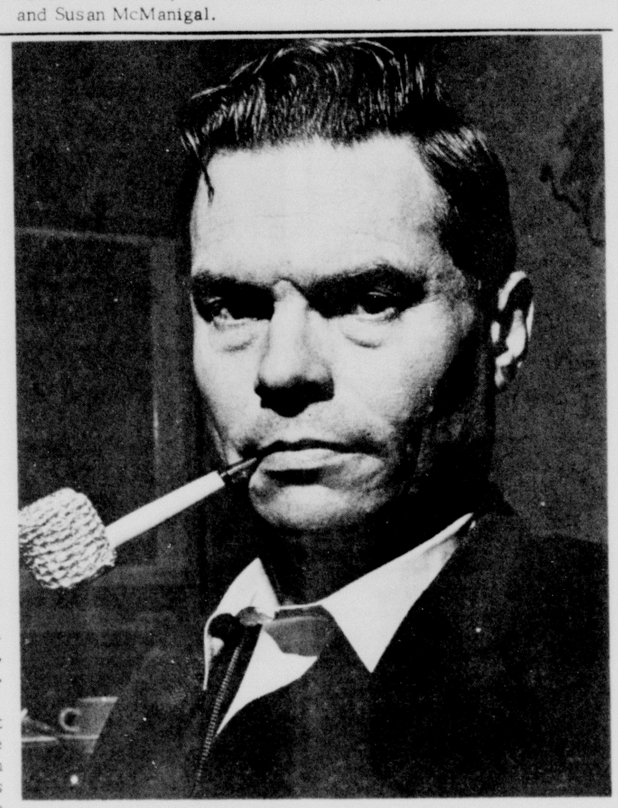
Rockwell was cut down last Friday in a hail of bullets at an Arlington, Va., shopping center.

Rockwell, 45 when he visited here, told The News he was almost certain to become governor of Virginia the following year. This ambition never materialized.

Rockwell made several trips to this area. He and his friends were secretive about his comings and goings but area authorities were aware of his visits.

Among other things, Rockwell contended that Hitler was innocent of any war crimes and was the greatest man to walk the earth in the past 2,000 years.

Rockwell, a Navy officer in World War II, said he fought on the wrong side.



GEORGE LINCOLN ROCKWELL Der Fueher visited Canyon.

Funeral Held For Mrs. Wynn

Funeral services for Georgia Alice Wynn, 90, were conducted Wednesday at Hope Baptist Church in Turkey.

Mrs. Wynn died Tuesday at Southwest Convalescent Home in Amarillo. She was born April 11, 1877 in Arkansas and had lived in Turkey since 1908.

Services were conducted by Rev. R. F. Pepper, pastor of Hope Baptist Church, and Rev. T. R. Shannon, retired Baptist minister now living in Tulia.

Interment was in Turkey Cemetery, under the direction of LaGrone Funeral Home of Canyon. Serving as pallbearers were M. M. Hanna, R. C. Green, Ewald Geisler, Norris McCoy, T. W. Bell, Jr., and James Barefield.

Survivors include a daughter, Mrs. R. S. Cragin of San Antonio; seven sons, Ray and Ted of Canyon, Custer of Linden, Texas, Garland and Kinley of Turkey, Fred of Sacramento, California, and Joe of Santa Ynes, California.

Other survivors include two sisters, six step-daughters, four step-sons, 16 grandchildren and a number of step-grandchildren and great grandchildren.

Revival Set At Calvary

Featured speaker for a three-day revival meeting this week end at Calvary Baptist Church will be Dr. W. Neil Record, assistant to the president and director of development at Wayland College, Plainview.

Song leader for the revival will be Mark Langley, Plainview. Langley presently is interim song leader at Lockney.

DR. NEIL W. RECORD

The revival will be held at 8 p.m. Friday and Saturday and at 7 p.m. Sunday. Sunday school and worship services at the church will be at regular times.

Well known over West Texas, the former pastor of First Baptist Church of Tulia, directs two major areas at the college which he joined in 1963.

Development and ex-student relations are areas in which Dr. Record is concerned.

He directs a five-year development program for Wayland's growth in both physical facilities and in the academic area. The current project is the development of a program providing modern facilities for physical education and intercollegiate athletics.

Dr. Record is a native of Arizona and was a businessman in that state until he took up the Baptist ministry in 1944 and entered Wayland as a student.

He earned the BA degree summa cum laude in 1948 and went back to Arizona as first business manager and Bible teacher at the newly organized Grand Cnayon College in Prescott.

In 1958 Wayland conferred on him the honorary doctor of divinity degree. He served as a member of the Wayland board of trustees for 12 years and was the first president of the association of former Wayland students.

Last Chance... This Summer

Labor Day already? That last big weekend of the season's coming up. Next year's summer won't be like this one. Playing back-yard softball may not be as exciting for the kids. The baby will become a youngster. Today's special brand of fun will be long gone. If you've been keeping your camera handy all summer, you probably have dozens of happy picture memories to look back on. But if your camera hasn't clicked too often, make this the weekend you do a little catching up. Plan now to drop in for fresh KODAK Film, and let us check your camera.

R. Pruett Will Sell Insurance

Richard Pruett has announced his association with Franklin Life Insurance Company.

Pruett, a native of Reed, Okla., has lived in Canyon since he was 9 years old. He attended Canyon Schools and was graduated from Canyon High School in 1953.

He took a degree in general business from West Texas State University in 1958.

He opened the Village Drive-in in 1958 and has been in business in that location for almost 10 years. He will continue to

RICHARD PRUETT

operate the Village which is located on 23rd Street.

Pruett has been active in civic work in Canyon for the past several years. He is a past president of the Canyon Jaycees and the Canyon Chamber of Commerce.

He presently is serving as a member of the Chamber board and is an associate member of Jaycees.

Pruett has been active in promoting West Texas State. He is vice president of the West Texas State Basketball Club, is a member of the C Note Club, the Buck A Month Club and the Buffalo Booster Club.

Pruett and his wife, Judy, are members of Canyon First Baptist Church. They have three children, Ty, 8; Kip, 6; and Kara, 3 months old.

Boarders . .

(Continued from Page 1)

ed up for the next year. "If you don't book ahead, someone else will and they'll get your place, he explained.

Cline said he used to winter in California. "There's not much off season now," he explained. "We expect to play right through this year.

"I ran away from home in 1934 when I was only 17 years old and joined the circus," Cline declared. He said he first joined the Cole Brothers Circus in 1934.

He was ringmaster for the legendary Clyde Beatty for 11 years. "I was ringmaster until he went broke," he related. "That's when I bought my own animals." That was in 1946, he said.

"Clyde Beatty was the best," Cline declared. "He was one of the nicest guys you ever met, as far as I'm concerned."

Cline was a little lonely Sunday. His family stays with him until school starts in California. The family went home to Norco Sunday to get ready for school.

Cline is the father of three children. They are Kathleen, 19, a college student in Ontario, Cal; Johnny, 12, a high schooler, and Phillip, 9, a ninth grader.

Happy . . .

(Continued from Page 1)

senior division, Rhonda Fellers took first and Patsy Schrib was second. In the junior mixed division, Gus Davis of Hereford was first and Lisa Payne was second.

Bob Hargraves and team won over the Happy Volunteer Firemen in a "grudge match" baseball game Saturday afternoon.

About 15 teams were entered in the water polo games with Buddy Selvidge and Bob McDonald placing first. Second place went to a team of Jim Whitlow and Billy Dale Andrews.

In the afternoon Pony Express contest, Plainview took first place; Rolling Hills of Amarillo, second; and Bovina, third. Also entered were teams from Happy, Canyon, and Tulia.

First place in the horseshoe pitching contest, sponsored by the Happy Jaycees, went to Douglas Lawyer, singles, and Sam Mayo and Bill Hall, team. Second place team was composed of Bob Hargraves and Gayle Simpson.

Saturday's events were rounded out with a downtown carnival, street dance and western dance.

Sunday, the celebration continued at the Tom Henry Arena with Roy Thompson being named all-around cowboy for a trophy donated by Dick Rathjen. Thompson roped four steers in 77.2 seconds to take top prize money of $600.

Other winners in the steer roping were Douglas George of Dalhart, second, and Charles Good of Portales, New Mexico, third.

Charlie Walker of Mobeetie and Tommy Record of Dumas teamed together to take first place in the head and heel team roping contest. Second place went to Bowie Wesley and Tommy Record and third to Shi Hurst and Billy Settle.

Prospects . .

(Continued from Page 1)

the fastest man we have on 50 yards," the coach declared.

Chuck Hester, a senior, lettered last year but did not play because of an injury last fall. He will be starting at guard this season. He weighs 170 pounds.

Greenwood said Bob Wood would have moved to quarterback except for an injury. Wood is suffering from a calcium deposit in the upper right arm and will be out for the time being.

Lon Conner is expected to do some of the quarterback chores. However, he moved here after the first game last year and will not be eligible to play until after the first game this year. He moved here from Amarillo.

Greenwood says he has some very good sophomores this season.

Gary Gilbert plays either fullback or halfback. He weighs 170 pounds.

Larry Robinson plays end. "He's a real fine prospect," said Greenwood, "but he has been out because of an injury."

Gary Hester will play end. He is 6 feet, three inches tall. "He's doing a real good job," said Coach Greenwood. "For a sophomore, he has come a long way.

The coach said Ronnie Pope has good prospects as a guard and center. He weighs 175 pounds.

The Eagles deploy from a Wing T formation. They already have scrimmaged Elk City, Okla., this season and will visit Stinnett for scrimmage Saturday evening.

Coach Greenwood said he was satisfied with the way the Eagles hit in the Elk City scrimmage. "We learned a lot by going over there" he said.

The scrimmage with Stinnett will be at 7:30 p.m.

The Eagles open against the Blackhawks at Phillips Sept. 8.

Road . . .

(Continued from Page 1)

court next Monday.

The court Monday accepted a revised plat of Sherman Acres, a development in the north part of Randall County. Acceptance of the plat had been delayed until developers could secure sufficient street right of way to meet county specifications.

The county specifies 60-foot streets.

In other action, the court authorized Tax Assessor-Collector Bill Money to confer with Criminal District Attorney George Dowlen and then to hire some firm to recompile the county's delinquent tax list back to 1939.

Judge Lloyd King told the court that he would begin a vacation Thursday and would return to work Sept. 20.

PRIZES WENT TO Mrs. G. E. Wesley, left, W. C. White and Clifford Belles at the Happy 60th anniversary celebration at Happy last Saturday. Mrs. Wesley, who was born in Swisher County in 1892, received an award for the person having lived the longest at Happy. White, 88, was the oldest person at the celebration and Belles, 78, was given an award for having come the longest distance to attend the festivities. Belles lives in Malcolm, Iowa.

Elections . .

(Continued from Page 1)

The ballots must be returned to the local SCS office by Sept. 20 to be counted.

Boundary lines for the seven counties are based on old school districts in the county, he explained.

Three committee representatives will be selected from each community. Those 21 will then elect a Randall County SCS committee, Lloyd added.

The community committee members meet about three times yearly to help decide on agriculture program decisions, review yields on which farms are set and anything that directly involves the farms in their community.

"An importnat change in this year's election procedures," Lloyd emphasized, "will be the requirement for the wife of a producer to sign her given name when signing the certification on the election envelopes. The wife must sign her name as 'Jane Doe' instead of 'Mrs. John Doe' in order for us to count the ballot."

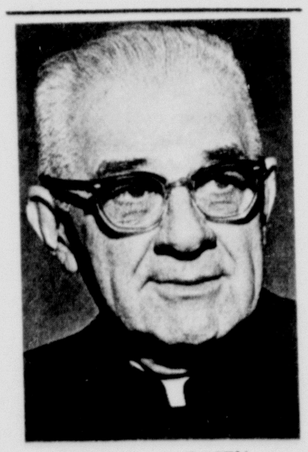
Check . . .

(Continued from Page 1)

checks at a rate of more than 60,000 per hour. Without the symbols, checks must be processed on low-speed machines at a rate of only 1,500 per hour.

All stores have been requested to withdraw all counter checks and have been encouraged to refuse to cash checks which do not have the magnetic ink symbols.

The non-printed check will be handled as a non-cash collection, which means that credit cannot be given the receiver of the check until it has been completely processed through the drawer's bank.



MSGR. W. F. BOSEN

Msgr. Bosen Transferred To Amarillo

Msgr. W. F. Bosen, pastor of St. Mary's Catholic Church in Umbarger, is being transferred to St. Mary's Catholic Church in Amarillo.

St. Mary's in Amarillo is located just west of Elwood Park.

Father Bosen, as the monsignor is known, came to Umbarger just 9 years ago Monday. He goes to Amarillo to replace Father Mathew Matthieisen, who is being transferred to Panhandle.

Father Matt Schaefle will be the new pastor of St. Mary's at Umbarger. He is to come here from Lubbock.

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL5-2141, or stop by the News office on the west side of the square.

Taxes . . .

(Continued from Page 1)

ing taxpayers ample time in which to appear before the board, beginning Sept. 5.

At the hearing, Elton Cox, school attorney, told Judge Jordan that the board of equalization, the school board and Kuykendall had complied with demands of the Sims petition.

Cox said new notices have been sent out to some 517 persons in compliance with the court order. About 1,000 pieces of property are involved. This was done in compliance with the court order handed down by Judge Jordan Aug. 18.

Hosea Foster, chairman, said the equalization board will meet at 9 o'clock Sept. 5 in the Canyon High School Auditorium.

"We'll continue to hold sessions until everyone had been heard if it takes a week," Foster declared.

The Taxpayers League is represented by Scott and Byron Singleton, both of Amarillo.

Scott Tuesday night urged all taxpayers involved to make an appearance before the board.

"Keep in mind that if you do not appear, you waive your rights and they can set your valuation at what ever they like," he warned.

Scott said he will employ a court reporter to record the proceedings of the board of equalization.

Scott told league members that he had been employed to represent the league as a body and to present certain guidelines.

"Each of you should prepare your own case," he said, "with your own legal council or accountant to substantiate your position.

"Our contention is that when you appear and the tax assessor says he does not agree with your rendition, the burden of proof is on the tax assessor to substantiate his assessment," Scott went on.

Scott said there are many inequities on valuation of land between Canyon and Amarillo. He gave no specific examples.

"Some land valuation is made on a speculative basis and in our opinion that is out of line," he said. He said value of land should be based on a fair cash market value.

"The purpose of this league is not to coerce the equalization board or the school board but to help work things out on an equitable basis," said Scott. "This is not a fight against taxes but to see that taxes are equalized."

Scott said he expects no difficulty. "We are dealing with honorable men," he declared.

"Last year the door was closed in our face," said Victor Hill, league president. "We have the door open. We can get these taxes equalized. I think we're in a position to get something done."

L. A. Smith said a part of the league's fight should be directed against the school budget.

Scott pointed out that the budget has already been approved by the school board and that it is too late to do anything about it this year.

News Brief

VISITING WITH Mr. and Mrs. Charles Parks recently were her parents, Mr. and Mrs. Frank Wallin of Tucumcari, New Mexico.

Other guests of the Parks family were Mr. and Mrs. Lester Leatherman and daughter, Rhonda, of Perryton, Betty Wallin and son, Joe Don, of Dalhart, Mrs. True Leatherman, Gary and Jerry, Mr. and Mrs. Jack Tolle and Pam, and Mrs. Juanita Bayless, Dean, Debby, Radell and Rusty of Gruver.

Enforcement

(Continued from Page 1)

all processes and arresting those suspected of crimes. These must all be done "as prescribed by law", Dowlen declared.

"Lawful also means that these things must be done 'resonably'," Dowlen told the 40-odd law enforcement officers from throughout the area.

He told the officers to have no fear of Federal government prosecution if they do their job "reasonably".

"They (Federal government) may try to prosecute you," Dowlen declared, "but if you do your jobs 'reasonably', you have nothing to worry about."

The tag of "police brutality", Dowlen continued, is one of the worst problems an officer can face.

West Texas State University has been attempting to offer a degree in police science for some time, WTSU Security Chief Bobby Hudson told the group.

"The laws really haven't changed--court decisions have just made us look at our procedures," Hudson said.

"After working with the security department," WTSU Dean T. Paige Carruth said, "we realize you need to know your job as well as you possibly can. We hope WTSU has taken some degree of assistance in helping you to know your job."

The training school, sponsored by WTSU, the City of Canyon and the Randall County Sheriff's Department, will continue for two weeks, after which subsequent courses will be offered throughout the year.

Officers from Amarillo, Canyon, WTSU, Tulia, Randall County Sheriff's department, Tulia, Plainview, Dimmitt, Hereford and Abernathy, attended the first session Monday.

Other divisions of the school will include law, accident investigation, narcotics and other drugs.

Swindle . . .

(Continued from Page 1)

returned July 31 for more control measures and charged the woman $143. He is alleged to have added an additional $100 when filling in the woman's check.

A trio of men approached the woman on July 14 to inspect her lightning rods, Albers said. The men said they represented a lightning rod company from Maryville, Mo., and charged the woman $163 for wiring repairs.

The Missouri firm said they had no sales personnel in this area.

A man suspected of being a part of the trio is being held for Swisher County authorities in Gatesville, Albers said.

Residents Father Dies

Funeral services for Thomas Alver Higgins, 87, were conducted Monday.

Mr. Higgins died Friday at Neblett Memorial Hospital in Canyon. He was a native of Eastland and had lived in Pampa from 1933 until March 1967, when he moved to Canyon. He was a retired trucking contractor and a member of Central Baptist Church of Pampa.

Survivors include his wife, Mary El'a; sons Alvis and Owen of Farmington, New Mexico and Ralph of Abilene; a daughter, Mrs. Woody Pond of Canyon; a niece, Mrs. James Lancaster of Perryton; and four grandchildren and two great-grandchildren.

Buff Grid Season Opens

West Texas State University opened Fall football activities Wednesday, with the staging of of the annual News Day luncheon (East Dining Hall) and Picture Day activities.

The 55 varsity candidates will get down to serious work Thursday morning when two-a-day workouts begin. The Buffs first closed Fall scrimmage is set for Saturday, Sept. 2 in Buffalo Bowl. The scrimmage will start at 2:30 P.M.

The Buffs, 7-3 last season, return 21 lettermen including five starters from both the offensive and defensive units.

When workouts begin Thursday, the WTSU coaching staff will be concerned with two major rebuilding jobs. They must rebuild an offensive line around junior guard Eddie Golecki, lone returning starter from last year's red-carpet cordon; and they must find able replacements for last year's great senior linebacking corps of the Wood twins, Earl and Burl and Dave Gasser.

From their spring training play, likely candidates to step into the offensive line picture are king-sized tackles A. Z. Drones (6-4, 250) and Larry Brazon (6-4, 255). Drones is regarded as an All-Sectional candidate. Frank Profit, a 235 lb. sophomore, will probably man the other guard post. Senior Mike Zoffuto (6-2, 220) heads the center candidates.

Moving into the tight-end spot filled the past four seasons by WTSU's all-time leading pass receiver Ted Wheeler, will be senior Dan Andrews. Andrews backed up Wheeler last season. He's regarded as an outstanding receiver and excellent blocker.

Other possible starting line candidates include sophomore tackles Dag Azam (6-2, 235) and Earl Clardy (6-1, 225), junior guards Willie Brown (6-2, 225), Lydell Dauster (5-11, 240) and Billy Hatchett, and sophomore center Joe Kerbel, Jr. (5-10, 206).

Sure-handed Dave Szymakowski returns to shoot for national honors from his split-end position. A senior, Szymakowski lacks just two catches to surpass Ted Wheeler as West Texas State's all-time receiving champion. Wheeler caught 72 passes in his four years with the Buffs.

Roy Winters, who enjoyed a strong spring after backing up Hank Washington as a sophomore last season, is expected to open the season as the number 1 quarterback. He will be backed by Frank Bettencourt Jr., an outstanding sophomore field master, and Jim Wheeler from Amarillo Caprock. Wheeler, a sophomore, came out as a tryout this spring and earned a scholarship after logging time at both quarterback and defensive safety. Paul Waite, the strong-armed junior college transfer, has decided not to return to WTSU this fall.

With breakaway threats like Eugene (Mercury) Morris (9.9), Curley (Bear) Watters (9.8) and Aaron Banks (9.5) returning at halfback, that position is well fortified. As a sophomore last year, Morris led the Buffs in both rushing (543 yards) and scoring (9TDs). He also pulled in 19 passes for 234 yards. Watters was used mainly as a punt and kickoff return specialist last season, specializing where he has few peers. Last year the Garland junior ranked 10th in the nation in punt returns.

The fullback slot, with spring sensation Duane Thomas (9.8) and Albie (00) Owen battling for the starting nod, is little short of awesome. Thomas, who is 6-2 and 215, rambled for 728 yards and 11 touchdowns in five spring drills while Owens bulled for 526 yards and seven touchdowns as the Buffs' starting fullback in 1966. Owens was out of spring drills with a broken bone in his foot, but he has reported back in top shape for 1967.

Last season perhaps nobody was as conspicuous as Charles (Hotfoot Charley) Henderson, the Buff flankerback with the bag of fakes and the uncanny ability to spear touchdown passes while surrounded by defenders or lying on the flat of his back in the end zone. Only a sophomore, Henderson is expected to produce the same excitement this year. He'll be backed by junior speedster Gary Clark (9.7).

The return of the nation's fourth leading kick-scorer, Tommy Fambrough, insures a solid, if not spectacular kicking game. The Breckenridge junior will be ably supported by JC transfer Donie Pruitt, who impressed Buff coaches with his long-range drilling in spring practice.

Expected to receive a gargantuan test when they brace to stop Montana State's number 3 ranked small college powerhouse Sept. 16, are the members of WTSU's defensive unit.

This year's "Unfriendly Society" will be headed by senior All-Texas tackle Jimmy Campbell (6-2, 215), senior guard Dave Whitmire (6-2, 220), and senior safeties Rick Barrett and Steve Haterius. All were starters on last year's 7-3 team.

Battles are expected to erupt along the defensive line to fill vacancies left by the graduation of guard Marc Allen and the conversion of tackle Jesse Powell to linebacker. Top candidates for the new posts are guards Larry Eschenburg, a 6-5, 240 pound junior transfer, senior Louie (Mudcat) Spinks, who was number 1 at the close of spring drills, and promising sopnomores Lawrence Fowlks (6-4, 230) and Steve Maddox (6-3, 230). Frank Goodish, a rangy 6-3, 235 point junior who red-shirted last year after transferring from Iowa State presently is the top candidate to fill Powell's tackle post. Goodish nailed down the starting tackle berth in spring drills. Senior Don Nilson, a two year Buff letterman, is expected to contest Goodish for the starting berth.

The 1967 linebacking corps is inexperienced enough to get burned, yet promising enough to win ball games. Both Jesse Powell and Byron Jones, spring outside linebacker starters, found themselves learning new assignments. Jones only worked at the new position a week after shifting from tight end, while Powell's transition from tackle was impressive. Stocky Dick Kimbrough and rangy Billie Francis are expected to battle it out for the top middle-linebacker spot.

Other possible linebacker candidates include Tommy Mounsey (6-2, 220) a former All-Service linebacker from Booker, JC transfer Carl Heilman (6-0, 225) and squadman Ron King (6-0, 195). Harry Daigle, another linebacker hopeful from Houston, was drafted before the new student deferment law went into force.

The probable starting secondary for 1967 is an all letterman unit. Safeties Barrett and Haterius insure strong deep protection while corners Don Tardy and Gary Conner proved their mettle in spring drills. Promising transfers Troy Anderson and Lee Morgan provide capable backup strength at safety. Untested but promising sophomores Billy Lantow and Gary McAtee are counted on to lend depth to the cornerback slot.

WT Offices Are Closed

All administrative offices at West Texas State University will be closed today through Monday, and will resume business in the new administration building at 8 a.m. Sept. 5.

The new building will be occupied over the five-day period by all administrative offices.

The old business office in the old Administration Building will be open all day Friday, Sept. 1, so university employees can pick up their checks, according to Virgil Henson, financial vice president.

Nuptials Performed In Happy

Miss Judith Lynn Sexton and Tommy Wayne Stewart were married in double ring wedding vows read Friday at the Church of Christ in Happy.

Rev. K. C. Moser of Lubbock Christian College officiated at the exchange of vows. The bride is the daughter of Mr. and Mrs. J. B. Sexton of Happy. Parents of the bridegroom are Mr. and Mrs. Troy Stewart of Tulia.

Given in marriage by her father, the bride wore a formal gown of white lace and crepe, fashioned with an empire fitted bodice, chapel train and long bell sleeves of imported French rose-point lace. The gown featured a semi-fitted skirt of white crepe.

Her elbow length veil of silk illusion was held to a pearl crown tiara and she carried a white Bible topped with a white Cattleya orchid surrounded by white roses. Her only jewelry was a single strand of pearls, a gift from the bridegroom.

Maid of honor was Miss Elaine Harman of Happy. Bridesmaids were Miss Sherry Dean of Friona and Miss Ann Foster of Odessa. They wore floor-length dresses of yellow brocade designed with trains. They wore matching headpieces and carried colonial gouquets of yellow gladioli.

Troy Stewart served as his son's best man. Groomsmen were Larry Stewart, brother of the bridegroom, and Francis Montandon of Lockney. Ushers for the occasion were Larry Sexton of Canyon, brother of the bride, Ken Cansler and Joel Shackelford of Amarillo.

Candlelighters were Ronald and Rickie Hudson of Canyon, cousins of the bride. The bridegroom's nephew, Andy Stewart, was ring bearer.

The marriage ceremony was read before a background centered with a 15-branch candelabra decorated with emerald greenery and flanked on each side by 7-branch candelabra trimmed with emerald, white and yellow gladioli. Baskets of white and yellow gladioli completed the decor and yellow bows marked the bridal aisle.

Providing choral wedding music were Peggy Spoontz of Carlsbad, New Mexico; Karen Bailey of Clovis, New Mexico; Mrs. Jim Atwell of Las Cruses, New Mexico; Mrs. and Mrs. Jim Shewmaker of Abilene; Bunnye Harman of Tulia; Homer Martin of Lubbock; James Sturgess and Jimmy McClendon, both of Tulia.

Solos were presented by Miss Spoontz, who sang the "Twelfth of Never", and Homer Martin, who sang "I Pledge My Love". The bridegroom sand "Every Step of the Way" as the bride descended the wedding aisle. The choral group sang a prayer song, written by the bride-

MRS. TOMMY WAYNE STEWART

groom, and "One Hand, One Heart" and "O Perfect Love".

A reception honoring the couple was held at the Happy High School cafeteria. Mrs. Larry Stewart, sister-in-law of the bridegroom, poured punch and the tiered wedding cake was served by Mrs. Larry Sexton of Canyon, sister-in-law of the bride.

The bride's bouquet and a five-tiered silver candelabra centered the table which was laid with a white net cloth enhanced by appliqued embroidered lace edging, over white satin.

Wedding guests were registered by Nancy Benson of Brownfield.

A graduate of Happy High School, the bride has been employed with Taylor-Evans Farm Store in Happy. She graduated from Lubbock Christian College where she was a member of the A Capella Chorus and was active in the Christliche Dameen social club.

The bridegroom graduated from Tulia High School. He also is a graduate of LCC and was active in the A Cappella Chorus, the Koinonia social club, the Royal Blue Band and Student Senate. He has also appeared in the outdoor musical drama "TEXAS" at Palo Duro State Park.

The couple will reside in Nacogdoches, where both will be students at Stephen F. Austin College.

Parents of the bridegroom were hosts for the rehearsal supper Thursday evening and the bride's mother, Mrs. Sexton, entertained with a bridesmaid luncheon on Friday.

Joseph A. Hill Chapel Scene Of Wedding Rites

Wedding rites for Miss Countess Louise McNeill and Charles Lloyd Hodges were read Monday evening at Joseph A. Hill Chapel on the campus of West Texas State University with Albert Trent, Church of Christ minister from Oklahoma City, Oklahoma, officiating.

Mr. and Mrs. Robert Wayne McNeill of Happy are parents of the bride. The bridegroom is the son of Mr. and Mrs. Kenneth Hodges of Hale Center.

Double ring vows were read before an altar flanked with magnolia leaves and English Ivy and centered with a bouquet of daisies and white stock. Spiral candelabra towered above the central arrangement and arches of candles accented the background. Chapel pews were marked with tall tapers and English ivy and the white satin aisle cloth was used. Mrs. Bill Sternenberg was in charge of floral decorations for the wedding and reception which followed.

Escorted and given in marriage by her father, the bride wore a formal wedding gown of candlelight silk-faced peau de soie enhanced with appliques of re-embroidered alencon lace and seed pearls. The dress was styled along princess lines with a sweetheart neckline. The controlled skirt was overlaid with a chapel train which extended from a dropped waistline defined in the back with a bustle effect and flat bow. Tiny covered buttons accented the long tapered sleeves.

Her waist-length veil of illusion was attached to a cluster of voile rosebuds fashioned with accents of pearls and satin. She carried a boupuet of occhids accented with stephanotis and trailing English ivy.

Mr. and Mrs. Bill Devers of Hereford provided appropriate musical selections for the marriage ceremony. Mrs. Devers, organist, accompanied her husband as he sang the "Wedding Prayer", "Bless This House", "I Pledge My Love" and "Walk Hand In Hand With Me".

Matron of honor was Ann Lee Collier and Judy McNeill served as the bridesmatron. Flower girl was Melissa Richardson. They were gowned in identical yellow dresses featuring a princess line with boufant sleeves accented with daisies. Their headpieces were large yellow daisies with a shadow veil. Each carried a colonial bouquet of daisies.

The bridegroom's brother, Mack Hodges of Hale Center, served as best man. Groomsmen were Winfrey Shipp of La Junta, Colorado, John McNeill of College Station, Troy Don Collier of Lubbock and Greg Hodges of Happy. McNeill, Collier and Hodges also served as ushers for the occasion.

Crystal appointments and a bouquet of daisies accented the bride's table for the reception which featured an "outdoors theme" with a gazebo entwined with roses and English ivy. The reception was held in the Church of Christ Bible Chair at West Texas State University.

The couple will make their home at Hale Center, where both will teach in the public schools. The bride graduated from Happy High School. She also graduated from Abilene Christian College and has taught elementary school in Lubbock for two years.

The bridegroom graduated from Texas Technological College in Lubbock and has taught math for three years.

MRS. CHARLES LLOYD HODGES

Society News

Miss Lisle Weds Plummer In Rites

Miss Sharon Elaine Lisle became the bride of Michael Van Plummer in double ring nuptial rites read Tuesday at Joseph A. Hill Chapel on the campus of West Texas State University.

The bride is the daughter of Mr. and Mrs. J. Hampton Lisle of Canyon. Parents of the bridegroom are Mr. and Mrs. Gilbert Plummer of Massillon, Ohio.

Nuptial vows were read by Bob Wear, Church of Christ pastor from Littlefield. Mrs. Kenneth Wilson, organist, accompanied Sandra Stone of Navasota who sang "Whither Thou Goest" and "Because".

Candelabra, greenery and baskets of gladioli and mums formed the background for the exchange of vows.

Given in marriage by her father, the bride wore a formal white gown of silk organza featuring an empire styling with a square neckline. Rows of tiny tucks and Brussel's lace trim accented the bodice, short sleeves and the chapel train. Her veil of silk illusion was held to a headpiece of white roses. She carried a bouquet of white roses and carnations.

The maid of honor, Shirley O'Donald, wore an empire styled dress of blue dotted swiss and carried a nosegay of blue carnations. The bride's sister, Julia Dawn Lisle, served as flower girl. She wore an empire style dress of blue dotted swiss and held a nosegay of blue carnations.

Miss Karen Anne Plummer, sister of the bridegroom, served as candlelighter. She wore an empire styled dress of blue dotted swiss with a wristlet of blue carnations. The bridegroom's brother William David Plummer, served as ringbearer.

Gilbert Plummer served as his son's best man. The bride's brothers, Howard H. Lisle and Harry A. Lisle, ushered for the occasion.

A reception was held in the Church of Christ Bible Chair on campus. Wanda Graham of Canyon and Ona Beth Hood presided at the reception and Mrs. Harry Lisle, sister-in-law of the bride, was at the guest book.

For a wedding trip to points in Colorado and Utah, the bride travelled in a blue sheath dress with black patent acessories. The couple will make their home in Logan, Utah where the bridegroom will continue his education at Utah State University, where he will be doing graduate work.

The bridegroom received his bachelor's degree in science from Harding College in Searcy, Arkansas in June. The bride graduated from Canyon High School and has attended Harding College.

MRS. MICHAEL VAN PLUMMER

Nuptial Ceremony Unites WT Couple

Double ring nuptial ceremonies were read Sunday at Calvary Baptist Church for Mary Louise Dane and Jerry Leon Race.

The bride is the daughter of Mr. and Mrs. Weldon Dane of Bovina. The bridegroom's mother is Mrs. Shirley Race of Floydada.

Vows were read by Rev. Bill Parvin. Mrs. John Longan, organist, accompanied the soloist, Davida Lindley, as she sang "The Twelfth of Never", "Whither Thou Goest" and the "Lord's Prayer".

The church altar was decorated with baskets of white gladioli and blue carnations and a background of tiered candelabra. The traditional white kneeling bench and aisle cloth were used.

Given in marriage by her father, the bride wore a formal length gown of rose lace and taffeta with a portrait neckline and long petal point sleeves. Her shoulder-length veil was attached to a spiral of leaves with an accent of beads. Her bouquet was a cascade arrangement of blue and white carnations centered with white gardenias and carried atop a white Bible.

Gwinette Lovett of Texico, New Mexico served as maid of honor and the bridesmaid was Shirlene Race of Floydada. They wore blue satin empire styled dresses featuring bodices of satin and chiffon with scalloped necklines and long chiffon sleeves. Their headdresses were of matching chiffon and satin rings and each carried a cascading bouquet of white carnations.

Johnny Dane of Bovina served as candlelighter.

Jerry Vernon of Lockney was best man for the occasion and Donnie Race of Lubbock served as groomsman. Ushers were John Longan of Canyon and Jackie Dane of Lubbock.

The couple was honored with a reception in Fellowship Hall of the church after the marriage was solemnized.

For a wedding trip to Red River, New Mexico, the bride wore a blue and white checked empire styled dress with a sash around the neckline. Her ensemble was accented with white accessories.

The couple will make their home in Canyon.

A graduate of Bovina High School, the bride is a secretarial science major at West Texas State University where she is classified as a sophomore.

A senior at WTSU, the bridegroom is studying agronomy. He graduated from Tishomingo High School in Oklahoma.

Double Ring Ceremony Unites Couple Here

Miss Carol Janice Wood became the bride of William Joseph (Bill) Richey in double ring nuptials read Saturday at Joseph A. Hill Chapel on the campus of West Texas State University.

Former Canyon minister, Bob Wear of the Crescent Drive Church of Christ in Littlefield, officiated at the exchange of vows.

The bride is the daughter of Mr. and Mrs. James E. Wood of Littlefield. Parents of the bridegroom are Mr. and Mrs. Joe W. Richey of Claude.

Matching baskets of gladioli and mums and candelabra decorated the altar. The vocalist, Miss Dianne Davis of Silverton, sang "The Twelfth of Never" and "Whither Thou Goest". Accompanist was Miss Barbara Jeffress of Amarillo, organist.

The bridegroom's sisters. Mary Lou and Joyce Kay, served as candlelighters. The bride's attendants were her sister, Teresa Wood, as bridesmaid and Tonya Kay Petty, maid of honor.

They were gowned in identical street-length dresses of mint green delustered satin, fashioned after the bride's gown with a bow and long streamers falling from the empire waistline. The dresses had short cap sleeves and A-line skirts. Each wore a matching pillbox headpiece featuring short circular veils. The candlelighters wore wrist corsages of white carnations and the bridesmaid and maid of honor carried nosegay corsages.

Bobby Evans of Amarillo served as best man. Billy Dave Kotley of Rule was groomsman. Ushers were Bobby Wood, brother of the bride, David Richey, brother of the bridegroom, and Larry Wesley.

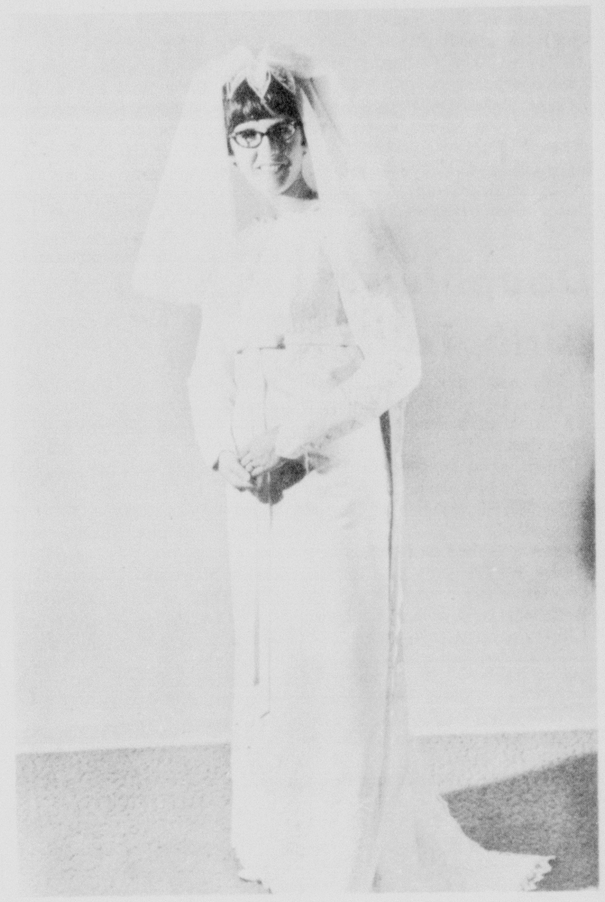
Escorted and given in marriage by her father, the bride wore a formal wedding gown of bridal satin with a bow and long streamers falling from an empire waistline. The bodice and sleeves were covered with lace and the bodice featured a scalloped neckline. The formal length A-line skirt had a width of lace at the hemline and matching lace outlined the detachable chapel train which was attached at the shoulders by pearl buttons. She wore a shoulder-length veil of tulle fastened to a headpiece featuring a flower motif with satin and lace. Petal points of the headdress were outlined with seed pearls and a crystal teardrop accented the center petal point.

A reception honoring the couple was held in the Church of Christ student center on the campus of WTSU. Punch and wedding cake were served by Miss Mary Soucy and Miss Deanna McKnight, both of Plainview.

The bride changed to a two-piece suit of off-white and navy blue with white accessories for the wedding trip to points in New Mexico. A corsage, lifted from the bridal bouquet, complemented her ensemble.

A former student at West Texas State University, the bride majored in secretarial science and is presently employed with Walsh Food Service in Amarillo.

The bridegroom is attending WTSU where his major is agribusiness. He is employed at the United States Post Office in Amarillo, where the couple will make their home.



MRS. WILLIAM JOSEPH RICHEY

McNeill Pledges Vows With Collier

Miss Ann Lee McNeill pledged marriage vows with Troy Don Collier in a double ring ceremony Friday evening at Joseph A. Hill Chapel on the campus of West Texas State University.

The bride is the daughter of Mr. and Mrs. Robert Wayne McNeill of Happy and parents of the bridegroom are Mr. and Mrs. Troy Earl Collier of Vernon.

Lynn Rhodes, Church of Christ minister of Abernathy, officiated at the nuptial rites. Mrs. Clovis Vernon provided appropriate wedding music at the organ and Mrs. Walter Currie sang vocal selections including "I Love You Truly", "Walk Hand In Hand With Me" and "Whither Thou Goest".

Marriage vows were performed before an altar which was flanked with greenery and spiral candelabra. Magnolia leaves, white stock and gladioli accented the altar area.

Countess McNeill, sister of the bride, served as maid of honor. Judy McNeill, sister-in-law of the bride, was the bridesmatron and Pam Sternenberg served as bridesmaid. They wore blue A-line bridal satin princess styled dresses with rolled collars and cap sleeves. Each wore short white gloves and carried a white bouquet of gladioli and lemon leaves. Their headdresses were made of crepe and net fashioned in the form of a rose with three-tiered veils.

Best man was Eddie Showers. Groomsmen were John McNeill and Ronnie Proctor. Ushers were Tom Moudy, Roland Orr, Dave McNeill and Dan Miller.

Escorted and given in marriage by her father, the bride wore a formal gown of cameo peau de soie and Venitian lace with a modified empire bodice design and an A-line skirt. The molded bodice and elbow-length sleeves were outlined with appliqued lace. The watteau chapel length train was outlined with a wide lace border.

Her bridal headdress was a large satin rose accented with leaves and small pearls which held a three-tiered English illusion veil. She carried a bouquet of gladioli and stephanotis.

The reception, held in the Church of Christ Bible Chair on campus, had an atmosphere of the "outdoors" with a gazebo accented with roses and ivy and bouquets of fresh roses throughout the room. A chiffon cloth covered the bride's table which was decorated in crystal and silver.

After September 1, the couple will make their home in Lubbock. For the wedding trip the bride changed into a pink crepe shift-style dress with matching shoes, hat and her corsage was lifted from the bridal bouquet.

A graduate of Happy High School, the bride attended Lubbock Christian College and was a member of the Metah Moe social club there.

The bridegroom graduated from Vernon High School and Lubbock Christian College, where he received his A.S. degree. He was president of the Aggie Club at LCC and will attend Texas Technological College this fall studying in the field of animal husbandry.

MRS. TROY DON COLLIER

Recipes For Bride-Elect

Miss Judy Sexton, bride-elect of Tommy Stewart, was honored recently with a "recipe shower" in the home of Mrs. Clay Greenfield with Mrs. Simon Elliott as co-hostess.

Cathey Jo LaRoe provided 'Minnie Pearl' sketches in keeping with the hillbilly theme of the occasion. The honoree was presented with a recipe tree.

Among those attending were the bride-elect's mother, Mrs. J. B. Sexton, Mrs. Troy Stewart, mother of the prospective bridegroom, Mrs. Reed McDonald, Mrs. E. W. Miller, Mrs. Clyde Curry and Sharon, Mrs. Jerry Dustman, and Paula, Mrs. Lee Moore, Mrs. Everett Culp and Misses Willa Jane Elliott, Cathey LaRoe and Tricia Hargraves.

Wedding Showers Honor Two Sisters

The home of Mrs. Foster Parker was the scene for a double wedding shower honoring sisters, Countess McNeill and Ann Lee McNeill of Happy, recently.

Countess is to marry Charles Hodges and Ann Lee's fiance is Troy Don Collier. Both are daughters of Mr. and Mrs. Wayne McNeill of Happy.

Receiving guests were Mrs. Foster Parker, hostess, and Mrs. Wayne McNeill, mother of the bride-elects. The guests were then presented to Countess and her fiance's mother, Mrs. Kenneth Hodges, and Ann Lee and the mother of her fiance, Mrs. Troy Collier.

Both honorees wore an orchid corsage. Countess was attired in a two-piece pink crepe suit. Ann Lee wore a white lace dress for the occasion.

The serving table was laid with a linen cloth and featured an arrangement of white roses and stephanotis as the central decoration along with silver appointments.

Gift rooms for both bride-elects were accented with bouquets of fresh-cut flowers.

Presiding at the refreshment table were Miss Carolyn Boston, Mrs. Jeanetta McNeill, and Mrs. Lynn Rhodes, sister of the bride-elects, was at the guest register.

Assisting Mrs. Parker with hostess duties were Mesdames T. A. Hodges, Foy Moudy, H. A. Hardaway, V. A. Danner, Cone Johnson, Roy Dodson, Dick Lowery, Clifford Stevens, Jack Sutton, J. B. Sexton, E. W. Miller, Woodrow Wesley, Lester Bryan, C. J. Greenfield, Keenie McDonald, Corliss Currie, Ernest Jackson, W. H. Haley, Glenn Haley, Pat Maynard, Melvin Schaeffer, Charles Kennedy, Ira Schrib, John Patterson, Bertha Mahler, Vila Harman, Alice McGehee, and Ollie Nichols and Misses Judy Sexton, Carolyn Boston, and Carol Hardaway.

Daughter's Birth Told

Mr. and Mrs. Chuck Fuson of Canadian announce the August 11 birth of a daughter, Lizabeth Ann.

Born at a hospital in Shattuck, Oklahoma, the infant weighed 8 pounds 12 ounces on arrival.

The mother is the former, Kathy Brillhart of Canyon. Grandmothers are Mrs. Ruth Brillhart of Canyon and Mrs. Lloyd Fuson of Dalhart.

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL5-2141, or stop by the News office on the west side of the square.

Marriage Read

MR. AND MRS. A. T. REESE of Canyon announce the recent marriage of their daughter, Susan, to Larry Bruce Marcum, son of Mr. and Mrs. Henry W. Marcum of Amarillo. Justice of the Peace, Bonita Potter, officiated at the rites August 16.

Clubs Have Joint Event

A joint social for members of the Social Pioneers, Canyon Mother-in-Law Club and the Plao Duro Mother-in-Law Club was held Thursday evening in the American Legion Hall.

Mrs. J. A. Woodfin gave the devotional and a supper of fried chicken and the trimmings was served to approximately 25 club members and guests. The remainder of the evening was used for visiting.

Wilkinsons Have Girl

Mr. and Mrs. Bob Wilkinson announce the birth of a daughter, Leslie Louise.

Born August 20 at Neblett Memorial Hospital, the infant weighed 8 pounds 9 ounces on arrival.

The Wilkinson family also includes Chris, Kim and Lanny.

Grandparents are Mr. and Mrs. Floyd Tomlinson and Mrs. Margaret Wilkinson, all of Canyon.

Daughter's Birth Told

Mr. and Mrs. Lewis Wygant announce the August 17 birth of a daughter, Janet Elaine.

The infant weighed 5 pounds 14 ounces on arrival at Neblett Memorial Hospital.

Grandparents are Mr. and Mrs. E. E. Wygant and Mr. and Mrs. W. M. Slifer, both of Fort Worth.

J. A. Hills Have Visitors

Summer houseguests of Dr. and Mrs. J. A. Hill recently have included several former residents.

Among those visiting were Miss Edith Cousins, who is associate professor of English at the College of Arts and Sciences in Kingsville. Miss Cousins is daughter of the late R. B. Cousins, who was first president of West Texas State University.

Also visiting the Hills was Mrs. Charlotte Ingham Word of Amarillo, who is the daughter of Dr. and Mrs. S. L. Ingham, who were prominent pioneer residents of Canyon.

Miss Ara Stafford of Fort Worth also visited with the Hills. Miss Stafford was the daughter of Professor Ben Stafford, a teacher of Latin in the first faculty at WTSU, for whom Stafford Hall at the university was named.

Dr. Lee Duflot and family from Galveston also visited with the Hills. Dr. Duflot is professor of anesthesyology at the Medical School in Galveston. He was reared in Canyon and attended West Texas State University. He was a son of Professor Joe Duflot, who taught at WT for about 30 years.

Also visiting the Hills were Don Shanklin, son of Ira and Louise Shanklin, former residents of Canyon. Shanklin is from Houston.

Mr. and Mrs. Frank Phillips of Dallas also visited with the Hills. He was former head of the agriculture department at WTSU.

Other guests of the Hills were Mrs. Joe F. Hill, Jr. of Los Angeles, Mrs. Lemore Hill and son, Bill of Borger and Mrs. R. William Brown of Wheeler, Mr. and Mrs. Leonard Monroe and daughter of Del Rio and Mrs. A.M. Jones and Miss Francis Dameron of Hereford.

Secretaries Have Fashion Program Set

April St. John (Lawrance) will speak at the meeting of Tierra Blanca chapter of the National Secretaries Association tonight, Thursday, at 7:30 o'clock in the First National Room.

Mrs. Lawrance has modelled in fashion shows for White and Kirk, Colberts, Santa Fe, Southwestern Public Service, Blackburns Teen Clinic and Goldtree in Amarillo. She has also presented teen fashion programs for high schools in Amarillo, Panhandle and Groom.

In addition to her local work, Mrs. Lawrance has worked in New York City, Washington D. C., and in England. She studied at Seton Hill, the University of Pittsburgh, the Sorbonne in Paris, France, the University of Erlangen in Germany, the Cocran Gallery of Art in Washington and the Cordon Bleu in Paris and London.

All members of the chapter and their guests are invited for the meeting, according to Genelle Bourland, local president.

Local Women At WMU Meet

Six Canyon women are in Waco this week for a "houseparty" for the Woman's Missionary Union.

The local delegation will represent the First Baptist Church of Canyon. Business sessions for the WMU Houseparty will conclude on Friday.

Attending are Mrs. Gene McGlasson, new WMU president here, Mrs. Jozach Byrd, Mrs. Strauss Atkinson, Mrs. Stacey Howell, Mrs. W. J. Wooten and Mrs. John Carlile.

Visiting in the Carl Miller home during the week end were Marvin Long of San Diego, California and Larry Trevathan of Maple. The Garvin Longs vistied Sunday evening with his daughter's family.

News Brief

VISITING WITH Mr. and Mrs. T. W. Henderson during the week end were their daughter's family, Mr. and Mrs. Ray Schultz of Olton, their grandsons and families, Wes Schultz of Amarillo and Richard Corder of Tuscaloosa, Alabama.

Also visiting with the Hendersons was her brother J. C. Sheriff and wife, of Amarillo.

COOK OF THE WEEK
Shares Favorite Recipes

BY LORENA MILLER

Mrs. Kenneth Waugh shares four family recipes with our readers this week including a Lemon Ice Cream, Apple Macaroons, Pepper Relish, and Gingersnap cookies.

Mrs. Waugh, the former Jean Higbee, was born in Kansas City, Kansas and lived on a Kansas farm for about ten years before graduation from Raymore, Missouri high school.

She then attended Central Missouri State College for two years, stopped several years to work and then completed her bachelors degree in education at Central Missouri. She returned to Kansas City, Kansas, where she taught third and fourth grade and in 1948 was married.

Mr. Waugh, who is director of student personnel services at West Texas State University, was a native of Missouri but spent several years in Kansas.

The couple met at Central Missouri State College. He had spent four years with the Army in England and then went to Central Missouri State to receive his bachelor's degree. He earned the master's degree in history at the University of Kansas City, the masters of school administration at Colorado State College in Greeley, and then went to Indiana University in Bloomington to receive his doctorate.

While at Indiana University, Mrs. Waugh also received the master's degree in education and library science. She is presently a third grade teacher at Ridgecrest School in Amarillo.

Mrs. Waugh's parents, Mr. and Mrs. R. E. Higbee, still live in Kansas City, Kansas as does her brother, Thomas Higbee. Waugh's parents, Mr. and Mrs. Neal D. Waugh have moved to Schenectady, New York where his sister, Mrs. Richard Brassard, also lives. His brother, Robert, lives in Mountainhome, Arkansas.

The Waughs have two children, Michael is a senior at Canyon High School this fall and daughter, Patti, is a high school junior here.

Both Michael and Patti are members of the Methodist Youth Fellowship at the First Methodist Church, where the family membership is.

In addition to his profession, Mr. Waugh's hobbies include woodworking, reading, all types of games, and all phases of sports. He served as a basketball coach while principal for a high school in Kansas. He also serves District 2-T-1 Lions as their governor.

Mrs. Waugh is a member of Delta Zeta sorority's alumnae chapter. Her favorite hobbies include sewing and reading.

Favorite family recipes include:

LEMON ICE CREAM
1 can Eagle Brand milk
1 pt. Half and Half
1/2 pint whipping cream
2 1/2 cups sugar
6 lemons (prepare two lemons in very thin slices. Fix remaining four lemons for juice.)
1/2 gallon milk

Combine sweetened condensed milk, half and half, whipping cream, sugar and juice of lemons. Mix well. Add thin-sliced lemons. Add enough whole milk to complete the gallon freezer. Vanilla may be added, but is not necessary. All ingredients may be mixed in freezer container.

APPLE MACAROONS
4 large tart cooking apples
1/2 cup sugar
1 1/2 tsp. cinnamon
1/2 cup pecans
salt
2 eggs, well beaten
1 cup sugar
1 cup flour
1/2 cup shortening
1/2 cup butter

Peel and slice apples thin. Place in large pie tins. Sprinkle with cinnamon and 1/2 cup sugar. Break nutmeats and sprinkle over top.

Make batter of beaten eggs, salt, sugar, flour, melted shortening and butter. Pour over top of apples. Bake in slow (300 degree) oven until top batter becomes crisply brown.

PEPPER RELISH
12 red peppers
12 green peppers
12 onions
2 cup vinegar
2 cup sugar
3 Tbsp. salt

Cover minced peppers and onions with boiling water and let set for five minutes. Drain. Add vinegar, sugar and salt. Boil for five minutes and put into sterilized jars and seal.

GINGERSNAPS
3/4 cup shortening
1 cup sugar
1/4 cup molasses
1 egg, beaten
2 cups sifted flour
1/4 tsp. salt
1 tsp. cloves
2 tsp. soda
1 tsp. cinnamon
1 tsp. ginger

Cream shortening and sugar. Add molasses and eggs. Beat well. Add sifted dry ingredients. Mix well. Roll into small balls and dip into sugar. Place two inches apart on cooky sheet. Bake at 375 degrees for ten minutes. Makes 4-6 dozen cookies.

MIDMORNING COFFEE BREAK is taken by Mrs. Kenneth Waugh. She shares her four favorite family recipes with our readers this week. They include Gingersnap Cookies, Pepper Relish, Apple Macaroons and an unusual Lemon Ice Cream.

News Brief

RECENT GUESTS OF Mrs. T. W. Collins were her daughter-in-law, Mrs. Joe B. Collins of Odessa and children, Rita, JoRene, Roger and Jay.

Mrs. Collins' granddaughters, Rita and JoRene, are students at Odessa High School and grandsons, Roger and Jay, are students at Rice University. Roger is a freshman at Rice and Jay, a senior, is captain of the Rice football team.

Going somewhere? Or been? The Canyon News wants to know about it--and so do its readers.

Grandparents are Mr. and Mrs. C. L. Buchanan of Canyon and Mr. and Mrs. Homer Thomas of Hereford.

PUBLIC NOTICE
Proposed CONSTITUTIONAL AMENDMENT
NUMBER ONE ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 9, Article VIII, Constitution of the State of Texas, be amended to read as follows:

"Section 9. The State tax on property, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty-five Cents (35¢) on the One Hundred Dollars ($100) valuation; and no county, city or town shall levy a tax rate in excess of Eighty Cents (80¢) on the One Hundred Dollars ($100) valuation in any one (1) year for general fund, permanent improvement fund, road and bridge fund and jury fund purposes; provided further that at the time the Commissioners Court meets to levy the annual tax rate for each county it shall levy whatever tax rate may be needed for the four (4) constitutional purposes; namely, general fund, permanent improvement fund, road and bridge fund and jury fund so long as the Court does not impair any outstanding bonds or other obligations and so long as the total of the foregoing tax levies does not exceed Eighty Cents (80¢) on the One Hundred Dollars ($100) valuation in any one (1) year. Once the Court has levied the annual tax rate, the same shall remain in force and effect during that taxable year; and the Legislature may also authorize an additional annual ad valorem tax to be levied and collected for the further maintenance of the public roads; provided, that a majority of the qualified property taxpaying voters of the county voting at an election to be held for that purpose shall vote such tax, not to exceed Fifteen Cents (15¢) on the One Hundred Dollars ($100) valuation of the property subject to taxation in such county. Any county may put all tax money collected by the county into one general fund, without regard to the purpose or source of each tax. And the Legislature may pass local laws for the maintenance of the public roads and highways, without the local notice required for special or local laws. This Section shall not be construed as a limitation of powers delegated to counties, cities or towns by any other Section or Sections of this Constitution."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed on them the following:

"FOR the constitutional amendment allowing counties to put all county taxes into one general fund."

"AGAINST the constitutional amendment allowing counties to put all county taxes into one general fund."

Cruise Taken By Student

BY WAYNE BOARD

While most college students work at ordinary jobs during the summer months, Richard Gardner's situation is a bit different.

Gardner, the son of Mr. and Mrs. Glen R. Gardner of Canyon, has recently returned from a two month cruise of South America--all expenses paid.

The Texas A&M University freshman toured Trinidad, Brazil and Curacao as part of college training that will qualify him as a member of the Merchant Marines.

Gardner, 18, said he learned of the training program sponsored by the Texas Maritime Academy through A&M while a junior student at Canyon High School.

"The school," he said, "offered the four years of college training plus cruises around the world." The first year of training is at A&M and the last three are at the Academy in Galveston.

While aboard the "Texas Clipper", Gardner worked as a steward and also on the bridge during the latter portion of the voyage. There were 60 freshmen on the academy's third annual cruise.

For six hours of college credit during the summer, Gardner took English and an American History course. Other courses during subsequent summer cruises throughout his four-year stint will also be offered.

Upon completion of the college courses, Gardner will have a bachelor of science degree in either Maritime transportation or Marine engineering. Upon graduation he will be licensed as a third assistant engineer in the Merchant Marines as a deck officer in transportation.

Among those ports Gardner visited this summer include the Port of Spain in Trinidad; Rio and Recife in Brazil; and Willemsted in Curacao. Gardner said he enjoyed his one-week stay in Rio more than other more brief stops.

In Recife there had been a communist-instigated riot just before the academy's crew arrived. The city, he said, was under marshal law.

"There were troops on every street corner block," Gardner explained. "We had heard that five Americans had been shot. We were not sure we should get off the boat--but we did and everything was okay."

Gardner said many of the natives in the various ports spoke Spanish although a few used the Engligh language.

"I had two years of Spanish at high school here, and I'll get two years at the academy, but I still don't speak it too well," Gardner laughed. While at CHS Gardner lettered in basket-ball for three years.

Gardner said he was prompted to join the academy because of the "critical shortage of personnel."

When he graduates, Gardner will be a third mate. The average of a third mate in the Merchant Marines now is 52 years old, he explained.

"I'll make the maritime industry a career. But I won't stay at sea always," he concluded.

A SOUTH AMERICAN CRUISE as part of college training was part of Richard Gardner's summer vacation. The son of Mr. and Mrs. Glen R. Gardner of Canyon purchased these instruments in Trinidad.

Harry Lisle Returning To Harding

Harry Lisle of Canyon, a member of last year's Harding College football team is among the experienced performers who will report for 1967 pre-season drills opening September 1.

Lisle, a varsity letterman last year, is one of 90 candidates invited back by Head Coach John Prock and his staff. Last year, Prock's third at the helm, the Bisons posted an impressive record of 6-3 to follow a 5-3-1 mark the previous season. This year, the Bisons again rank among the teams who will battle for the Arkansas intercollegiate conference championship.

Harding's football program, though only eight seasons old, has made rapid progress and last season achieved national rankings as a member of the National Association of Inter collegiate Athletics (NAIA) and has been represented on the NAIA All-American player lists.

Fishing, Hunting License Expiring

All fishing licenses expire today, Thursday, according to Stanley McDonough, Texas Fish and Game Commission warden, no matter when they were purchased.

Also expiring today are hunting licenses, he said.

New 1967-1968 hunting and fishing licenses are available from the Randall County Clerk's office, most sporting goods stores, Western Auto here, or the Parks and Wildlife office at 3806 Bowie in Amarillo.

Hunting licenses are $3.15 and fishing licenses are $2.15.

Federal duck stamps, which are required for hunting migratory fowl, can be purchased at the post office here for $3.

Randall County residents may fish without a license in this county if no winding device is used or if they are over 65 or under 17 years of age. They may also fish without a license on their own property.

Those hunting or fishing without a license may be fined in justice of the peace court up to $200.

News Brief

MRS. RUTH LASSITER, secretary to County Agent John Brazzil, was dismissed from the hospital Tuesday. She had been hospitalized for treatment of pneumonia.

Local Officers For Panel Talk

Two local law enforcement officers and Canyon's Mayor will participate in a panel discussion at a Friday meeting of the Kiwanis Club here.

Mayor Paul Lindsey, Canyon Police Chief L. D. Caldwell, and Randall County Sheriff L. S. (Slim) Johnston will head the panel discussion at the organization's noon meeting.

Topic for the special panel discussion, said Kiwanis President Kenneth Olson, will be the "effective role that business and professional men may play in assuring and preserving law and order in their own communities."

The project, entitled "Operation Law and Order", will be conducted in connection with a 1968 program of the Kiwanis International.

The discussion will open a year-around study of the subject, Olson said.

Revival Slated

Dr. Neil Record of Plainview will be evangelist for a three-day revival that begins at Canyon's Calvary Baptist Church Friday.

He is assistant to the president of Wayland College in Plainview. The singing will be lead by Mark Langley of Plainview, interim choir director for the First Baptist Church of Lockney.

The Friday and Saturday services will be conducted at 8 p.m. and Sunday school will be held at 9:45 a.m. Regular Sunday services will be scheduled at 11 a.m. and 7 p.m.

Formulating plans for prayer meetings and visitation periods are J. W. Youngblood and T. B. Cox, Calvary Baptist deacons.

Mr. and Mrs. Marvin Swink and children, Marvin and Michele, of Albuquerque, New Mexico were recent houseguests of his sister, Mrs. L. D. Hunnicutt and family.

News Brief

TROOP 66 of the Boy Scouts of America held an adult committee meeting Monday evening at the First Christian Church with 17 adults present.

The 1968 scout charter was signed at the meeting and the group discussed repainting the "scout bus". The group also confirmed that the troop would sell football programs at home football games for West Texas State University.

PUBLIC NOTICE

Proposed **CONSTITUTIONAL AMENDMENT**

NUMBER FOUR ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be amended by adding a new Section in Article III to be known as Section 52e, reading as follows:

"Section 52e. Each county in the State of Texas is hereby authorized to pay all medical expenses, all doctor bills and all hospital bills for Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that while said Sheriff, Deputy Sheriff, Constable, Deputy Constable or other county or precinct law enforcement official is hospitalized or incapacitated that the county shall continue to pay his maximum salary; providing, however, that said payment of salary shall cease on the expiration of the term of office to which such official was elected or appointed. Provided, however, that no provision contained herein shall be construed to amend, modify, repeal or nullify Article 16, Section 31, of the Constitution of the State of Texas."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of this state at an election to be held on November 11, 1967, at which time the ballot shall have printed thereon the following:

"FOR the Amendment to the Constitution authorizing each county in this state to pay the medical bills, doctor bills and hospital bills for all Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that the county shall continue to pay the maximum salary of these officials while they are incapacitated, but such salary payment shall not continue beyond the terms of office to which they were elected or appointed."

"AGAINST the Amendment to the Constitution authorizing each county in this state to pay the medical bills, doctor bills and hospital bills for all Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that the county shall continue to pay the maximum salary of these officials while they are incapacitated, but such salary payment shall not continue beyond the terms of office to which they were elected or appointed."

PUBLIC NOTICE

Proposed **CONSTITUTIONAL AMENDMENT**

NUMBER SIX ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 33, Article XVI, Constitution of the State of Texas, be amended to read as follows:

"Section 33. The Accounting Officers of this State shall neither draw nor pay a warrant upon the Treasury in favor of any person for salary or compensation as agent, officer or appointee, who holds at the same time any other office or position of honor, trust, or profit, under this State, except as prescribed in this Constitution. Provided, that this restriction as to the drawing and paying of warrants upon the Treasury shall not apply to officers of the National Guard or Air National Guard of Texas, the National Guard Reserve, the Air National Guard Reserve, the Air Force Reserve, the Officers Reserve Corps of the United States, nor to enlisted men of the National Guard, the Air National Guard, the National Guard Reserve, the Air National Guard Reserve, the Air Force Reserve, and the Organized Reserve of the United States, nor to retired officers of the United States Army, Air Force, Navy, and Marine Corps, and retired warrant officers and retired enlisted men of the United States Army, Air Force, Navy, and Marine Corps. It is further provided, until September 1, 1969, and thereafter only if authorized by the Legislature by general law under such restrictions and limitations as the Legislature may prescribe, that a non-elective State officer or employee may hold other non-elective offices or positions of honor, trust, or profit under this State or the United States, if the other offices or positions are of benefit to the State of Texas or are required by State or federal law, and there is no conflict with the original office or position for which he receives salary or compensation. No member of the Legislature of this State may hold any other office or position of profit under this state, or the United States."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment allowing non-elective state officers and employees to serve in other non-elective offices or positions under this state or the United States until September 1, 1969, and thereafter only if authorized by the Legislature, if the offices or positions are of benefit to Texas or are required by state or federal law, and there is no conflict of interest with the original office or position; prohibiting elected officers under this state or the United States from holding any other office or position under this state; and adding members of the Air National Guard, Air National Guard Reserve, Air Force Reserve, and retired members of the Air Force to the list of persons exempted."

"AGAINST the constitutional amendment allowing non-elective state officers and employees to serve in other non-elective offices or positions under this state or the United States until September 1, 1969, and thereafter only if authorized by the Legislature, if the offices or positions are of benefit to Texas or are required by state or federal law, and there is no conflict of interest with the original office or position; prohibiting elected officers under this state or the United States from holding any other office or position under this state; and adding members of the Air National Guard, Air National Guard Reserve, Air Force Reserve, and retired members of the Air Force to the list of persons exempted."

PUBLIC NOTICE

Proposed **CONSTITUTIONAL AMENDMENT**

NUMBER THREE ON THE BALLOT

HOUSE JOINT RESOLUTION No. 17 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars ($400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars ($400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars ($200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and who, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional $200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional $200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

PUBLIC NOTICE

Proposed **CONSTITUTIONAL AMENDMENT**

NUMBER FIVE ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of Texas be amended by adding a new section thereto to be known as Section 49-e, as follows:

"Section 49-e. The Parks and Wildlife Department, or its successor vested with the powers, duties, and authority which deals with the operation, maintenance, and improvement of State Parks, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Seventy-Five Million Dollars ($75,000,000). The bonds authorized herein shall be called "Texas Park Development Bonds," shall be executed in such form, denominations, and upon such terms as may be prescribed by law, provided, however, that the bonds shall bear a rate or rates of interest as may be fixed by the Parks and Wildlife Department or its successor, but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds, shall not exceed four and one-half percent (4½%) interest per annum; they may be issued in such installments as said Parks and Wildlife Department, or its said successor, finds feasible and practical in accomplishing the purpose set forth herein.

"All moneys received from the sale of said bonds shall be deposited in a fund hereby created with the State Treasurer to be known as the Texas Park Development Fund to be administered (without further appropriation) by the said Parks and Wildlife Department, or its said successor, in such manner as prescribed by law.

"Such fund shall be used by said Parks and Wildlife Department, or its said successor, under such provisions as the Legislature may prescribe by general law, for the purposes of acquiring lands from the United States, or any governmental agency thereof, from any governmental agency of the State of Texas, or from any person, firm, or corporation, for State Park Sites and for developing said sites as State Parks.

"While any of the bonds authorized by this provision, or any interest on any such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the interest and sinking fund at the close of the prior fiscal year, which includes any receipts derived during the prior fiscal year by said Parks and Wildlife Department, or its said successor, from admission charges to State Parks, as the Legislature may prescribe by general law.

"The Legislature may provide for the investment of moneys available in the Texas Park Development Fund and the interest and sinking fund established for the payment of bonds issued by said Parks and Wildlife Department, or its said successor. Income from such investment shall be used for the purposes prescribed by the Legislature.

"From the moneys received by said Parks and Wildlife Department, or its said successor, from the sale of the bonds issued hereunder, there shall be deposited in the interest and sinking fund for the bonds authorized by this section sufficient moneys to pay the interest to become due during the State fiscal year in which the bonds were issued. After all bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys received from admission charges to State Parks shall be deposited to the State Parks Fund, or any successor fund which may be established by the Legislature as a depository for Park revenue earned by said Parks and Wildlife Department, or its said successor.

"All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be void by reason of their anticipatory nature."

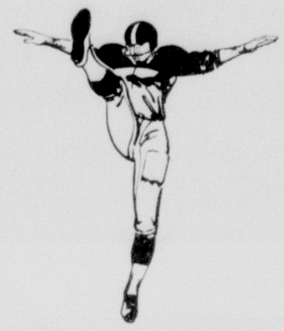
Sec. 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held on November 11, 1967, at which election each ballot shall have printed thereon, the folowing words:

"FOR the amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars ($75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks."

"AGAINST the amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars ($75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks."

INTRODUCING THE 1967

CANYON EAGLES



1967-1968 EDITION of the Canyon High School Eagle football squad will open their season Sept. 8 at Phillips. Team members include, front row, left to right, Chris Hull, Ted Walker, Tony Gibson, Max Bosley, Lon Conner, Eddie Haddock, David Irwin, Chuck Hester and Tommy Brandt. Anthony's
C R ANTHONY CO

JAN GLENN, 20 years old, Miss Lubbock, is being greeted here by Canyon Mayor Paul Lindsey. Jan was among 450 Lubbock people who attended "TEXAS" Friday night as a group. The group arrived at the Panhandle Heritage Foundation aboard chartered buses.

Miss Lubbock Sees "TEXAS"

Seven bus loads of guests from Lubbock viewed last Friday's performance of "TEXAS" in Palo Duro Canyon State Park.

Accompanying the 300-odd visitors was Jan Glenn, Miss Lubbock, and Lubbock's Mayor Pro-tem Dr. James Granbury. They were greeted by Canyon Mayor Paul E. Lindsey.

The bus trip, originally planned for only a few people, was instigated by Dr. F. E. Green, director of the West Texas Museum in Lubbock.

Several civic organizations from Lubbock were represented at the Friday "TEXAS" performance.

Lake Opening To Be Talked

The decision as to the possibility of reopening all of Buffalo Lake to the public will be made sometime later this week, according to Gordon Hansen, manager.

Hansen said he would meet with members of the US Public Health Service to determine if the lake waters were sufficiently safe to allow water contact sports in the lower spring bay and upper east and west areas.

The entire lake was posted for about a month earlier this year after more than 250,000 fish died due to polluted waters. About two-thirds of the lake was later reopened, but the other portions have remained posted against water contact sports.

A fecal coliform bacteria, which is credited with contaminating the water, has sharply diminished, he stated.

Baptist Revival Underway

An "open house" revival is underway this week at the First Baptist Church with Rev. Strauss Atkinson, pastor, serving as the evangelist.

Services tonight, Thursday, are set at 7:30 p.m. with the title subject being "Music". Hugh Sanders, minister of music, is in charge of the musical section of the revival.

The revival will continue through Saturday. Emphasis for Friday night's sermon at 7:30 o'clock will be "Youth" and Saturday's sermon will be devoted to "Juniors".

Dog Bites Thompson Youngster

Harold Thompson, 10 years old, son of Mr. and Mrs. Clarence Eugene Thompson, was severly bitten on the face by a dog Thursday of last week.

He was visiting at the James Jennings farm home when the incident occurred. He is a nephew of the Jennings.

Harold had been playing with the dog before it attacked him. Twenty-one stitches were required to close the wound.

The dog is being kept under observation.

Safety Checks For Bicycles

About 50 Canyon youngster's bicycles were given safety inspections Saturday by members of the local Kiwanis Club.

The project, headed by Johnny Janak, was to check the bicycles for proper brakes, reflectors and other safety features. The youngsters, who were given a set of safety rules, were questioned concerning the use of proper hand signals.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be amended by adding a new Section 13 thereto to read as follows:

"Section 13. Notwithstanding any other section of this article, the Legislature in providing for the creation, establishment, maintenance, and operation of a hospital district, shall not be required to provide that such district shall assume full responsibility for the establishment, maintenance, support, or operation of mental health services or mental retardation services including the operation of any community mental health centers, community mental retardation centers or community mental health and mental retardation centers which may exist or be thereafter established within the boundaries of such district, nor shall the Legislature be required to provide that such district shall assume full responsibility of public health department units and clinics and related public health activities or services, and the Legislature shall not be required to restrict the power of any municipality or political subdivision to levy taxes or issue bonds or other obligations or to expend public moneys for the establishment, maintenance, support, or operation of mental health services, mental retardation services, public health units or clinics or related public health activities or services or the operation of such community mental health or mental retardation centers within the boundaries of the hospital districts; and unless a statute creating a hospital district shall expressly prohibit participation by any entity other than the hospital district in the establishment, maintenance, or support of mental health services, mental retardation services, public health units or clinics or related public health activities within or partly within the boundaries of any hospital district, any municipality or any other political subdivision or state-supported entity within the hospital district may participate in the establishment, maintenance, and support of mental health services, mental retardation services, public health units and clinics and related public health activities and may levy taxes, issue bonds or other obligations, and expend public moneys for such purposes as provided by law."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment to permit municipalities, other political subdivisions, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, or public health services."

"AGAINST the constitutional amendment to permit municipalities, other political subdivisions, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, or public health services."
